From the Clubhouse

From the Desk of
Jesse K. Thorpe, General Manager

Dear Members,

So the Fitness Center is open! Walter is in his element and the members have been out in force! And yes, even the wait for the ceiling was worth the effect it has created.

As many have noted, the class schedule has been a big hit and members have been signing up in droves. We are taking note of attendance in classes at various times of the day and listening to members for classes that we might consider. As a reminder, while we work through this process, please be patient...Rome wasn't built in a day and the process of adjusting a schedule for classes cannot change in a day, much less a week until we observe and listen more. While we listen to all, we are committed to providing classes that meet the needs of the majority of our member users.

In the meanwhile we have a few bugs to work out, like connecting a phone line to Walter's office and finding an App that will work for signing up for classes and training. We are still in the review process in the quest for something that will work for our needs.

We are getting closer on the Dunes Tavern. So many detailed items are in process right now. Thanks to all who have been complimentary on the weekly updates. I anticipate writing them right up to the date we are 100% completed with everything.

Thanks too, for your patience and understanding while we work through reduced facility and storage. It has been a challenge for all.

Jesse K. Thorpe CCM GM/COO

Food & Beverage Happenings

Moving on up...

Some of you may or may not have known Kate Rivera, but she has decided not to return from maternity leave. With her departure, it opened the door for others to move up and grow within Hammock Dunes just as Tiesha, Kate, Kendra, and Ashley did. With that being said, we have promoted Morgan Herbener as our newest Food & Beverage Supervisor.

Morgan started here as a server assistant in July 2013 and quickly moved up to a server shortly after that. Over the past year Morgan (381) has done an incredible job taking over as our trainer and making sure staff training is consistent, thorough and professionally done. Morgan will continue to oversee training in addition to added duties as she gets comfortable. With her great eye for detail and dedication to Hammock Dunes Club, I have no doubts that Morgan will excel in her new role.

Congratulations Morgan!!!!

GOLF CLINICS

You are moving forward, right? Director of Golf Brad Myers will be conducting a series of clinics at the Links Course. The clinics are open to women and men in all handicap ranges and will be held on Saturdays.

In order to give you some flexibility in scheduling your Saturday golf round and to allow additional spots for signup, two clinics per day will be offered. Those times are 10 to 11 a.m. in the morning and afternoons from 2 to 3 p.m. The clinic dates and topics are as follows:

Saturday, May 4 -- Full Swing

Saturday, May 18 -- Putting

Saturday, May 25 -- Full Swing

Saturday, June 1 -- Pitching & Chipping

Clinic price is \$35 per person per hour and each clinic will be available to the first 6 people that signup for each clinic. We are capping the number of spots available so that each member can receive an appropriate amount of individual attention. Sign up today by calling the Links Golf shop (386.446.6222) and make it happen.

News from the Golf Shop..

Thank you very much for a great Club Championship season. We really appreciate your helping us in our search to determine who are the best players at Hammock Dunes Club.

Please make sure that you have signed up for these April events: The Ladies Member Guest will be held on April 3 - 5 and the Men's Dunes Challenge will be held April 25 - 27.

If you are looking for an instructional clinic, I will begin a series of instructional clinics starting the first week of May. Please stay tuned for future advertisements.

What a fantastic new fitness facility! Walter Sam and his staff can make a huge difference in your life. Just ask them for help. For you golfers out there who are trying to "take it to the next level" did you know that Walter is Titleist Performance Institute Certified? This certification denotes that he has been trained to help you get the most out of your body when it comes to your fitness and your golf abilities. I look forward to working with Walter in helping members to achieve their fitness and golf ability goals. If I were you, I would seek out an evaluation today.

We hope to see you on the course soon. Thank you.

Brad Myers, PGA, CCM - Director of Golf

HDLGA News...18 Holers

Submitted by Kimmie Wise, HDLGA Vice President

Once again thank you to Carol Rabinovitz, Julie Cook, and Maggie Balzarini for a hugely successful Rally Golf Day. Please see the separate write up in this month's issue. The weather cooperated and everyone had a wonderful time.

Congratulations to Nancy Yule, our 2019 Ladies Club Champion! She defeated Pat Bevan in a great match that was decided on hole #17. A shout out also to flight winners Nancy Davidson and Kelli Jebbia. Both of their finals took the entire 18. This was my first time playing this tournament and it was a very positive experience. I highly recommend everyone who has shied away from playing to give it a try next year. Thanks to the Golf Shop for a lovely awards lunch for all participants.

As we are going to press, the Member/Member is underway so look for all the details and results in next month's Dunescape. The Member/Guest Tournament begins Wednesday, April 3. This year's theme, "Golf, Girl, Golf" (You've come a long way baby) is being managed by Debbie Youngerman and Sara Morrison. The field is full and I know we will have tons of fun both on and off the courses.

There is an Interclub at Deer Creek on Tuesday, April 23 and another at St John's on Monday, May 20. Please email Anne Gregorits to sign up. That will be it for Interclub until next Fall.

Wednesday play held its Ringer Tournament at the Creek on March 13 and 27. The Links version of this event is scheduled for April 10 and 24. Results from both of those will be in your May issue.

Last, but not least, don't forget to sign up for Closing Day on Wednesday, May 1. "Kiss My Putt" is the theme and Hospitality Chair Abbe Hirschler has some fun putting games in mind. No need to find a partner or group, the Golf Shop will do the ABCD pairings. We will also vote on next year's Board Members during lunch. That slate is posted in the Ladies Locker Room.

Enjoy the remainder of the season and play well.

Our pristine setting fascinates her. So far, the croquet experience has not disappointed. All Hammock Dunes Members...try it...you too will join!!

Hammock Dunes Heart Rally

Mahjongg Rally

Bridge Rally

Croquet Rally

The Club and Community owe a debt of gratitude to Carol Rabinovitz for over twelve years of tireless effort fundraising for charities important to women's health. Carol started the Rally in 2007. Initially it was an HDLGA golf tournament and luncheon supporting the Susan G. Komen "Rally for a Cure". As a breast cancer survivor, Carol was passionate about the cause. After ten years supporting that charity, Carol recommended moving to the local chapter of the American Heart Association recognizing that heart attacks were the leading cause of death in women. Over the twelve years of Carol's leadership, the Rally has migrated from golf only to Rallies for tennis, croquet, bocce, pickleball, bridge and mahjongg. She also implemented a raffle and men's Valentine promotion.

In total, Hammock Dunes members have donated over a quarter of a million dollars for these charities. After this Rally, Carol will be stepping aside and Mary Casamento will be taking over the reins but if you see Carol, please thank her for all she has done on our behalf!

Thank you, Barb, Carol and Kelly, Mary, Karen, Jonnie, Bev and Rindy and Julie. Special thanks to Maggie for the wonderful raffle baskets that she put together and to those who donated them. \$5,500 was raised by the men, Thank you Roger. \$15,500 was raised by the women. We had 242 signups for events...the most ever. I am always so delighted that our members are so generous with their support.

Opera at Hammock Dunes

April 11 > from 4 – 6 p.m.
Franz Lehár (1870-1948)
Das Land Des Lachelns
(The Land of Smiles)

While Franz Lehár operetta Das land Des Lachelns is best remembered for its tenor showpiece aria, "Dein ist mein Ganzes Herz", the score dazzles with other glorious musical moments. Originally presented in Vienna in 1923 as The Yellow Jacket the operetta was at first not well received. Lehár revised the score and the new production was presented at the Metropol Theatre in Berlin on October 10, 1929. The production was centered around the performance of the great tenor Richard Tauber, a close friend of Lehár's, for whom Lehár wrote a Tauberlied-a signature tune exploiting the exceptional qualities of Tauber's voice.

"You are my heart's delight" is likely the most famous of all the Tauberlieder.

The operetta is set in Vienna and China in 1912. Headstrong Lisa, daughter of a Viennese Count, falls in love with a Chinese Diplomat Prince Sou-Chong. Sou-Chong must return to China urgently, and despite the advice of her family and friends, Lisa leaves with him. Upon their arrival in China where all passions are concealed behind enigmatic smiles, Lisa finds herself unable to adapt to the demands placed upon her by Sou-Chong's country. Chinese custom dictates that Sou-Chong must take other wives. Despite assurances that the custom is just a formality, Lisa is locked in the palace where her love changes to hate. In the final act Sou-Chong is left alone while Lisa returns to Vienna.

The prince respects the "rules of his custom" and always smiles.

All are welcome. The opera begins promptly at 4 p.m. in the Boardroom and there will be an intermission. Please remember to arrive early and enjoy a glass of wine or champagne before the opening curtain!

Presented by:
Presented by Baerbel Puritz in association
with Malfrid Du Temple

As always, after the final curtain and applause quiets down, please consider staying for dinner.

Book Club

The April book club selection is LESS, the satirical comedy novel by Andrew Sean Greer that won the 2018 Pulitzer Prize in fiction. It surprisingly won the prize, by the way, because it is not typical serious Pulitzer material and is, in fact, very funny!

Author Greer explains that he started the book as an opus on being gay and aging and found he could only tell the story humorously. The protagonist is Arthur Less, who reluctantly accepts invitations to a string of disastrous literary events all over the world. His travels are filled with comic and poignant incidents. Various reviewers describe the novel as "smart", "humane", and "laugh-out-loud funny".

Mark your calendars for Wednesday, April 17, at 3 p.m. when Sylvia Lacey will lead our discussion. The meeting is open to all members. If there are any questions, contact Pat or Carol.

The Care Bears welcome new members in our group. Please contact Claudia Pierce at 386-446-7575 or pierceclaudia@gmail.com if you are interested in joining us or know someone who needs our care"

Audubon Corner...

All of us are fascinated watching Ospreys, also known as sea hawks, fish eagles & fish hawks. Their diet is 99% fish which they catch by plunging feet first into the water to grab their prey. They are the only hawks that have two toes in front and a reversible outer toe giving them two in the back for this purpose. They have closable nostrils to keep out water during dives. This hawk prefers to hunt in shallow water but can dive deep...over 3 feet. A caught fish is held head forward in the talons to reduce drag. If there are Eagles in the area, they will try to steal the fish from the Osprey for an easy meal. Ospreys can live up to 20 years. They are monogamous and mate for life.

Sometimes they come to visit...thanks to Judy Wiginton and Anthony Longo for these pictures of Osprey on their balconies.
