Dear Members,

Wow, December already? 2020 has been a year that we would all like to see in the rear view mirror. Between the pandemic and all of the unhappiness across the nation it has flown by, perhaps because we would like to just move on to better things.

As an exercise for this season, I have decided to stop and consider things I am grateful for. While 2020 has been unkind in many ways, it has also revealed some pretty wonderful things as well - so here is a part of my list:

We always knew we had wonderful members, but the care and concern demonstrated by our members towards one another and our staff has been absolutely wonderful. Between the hundreds of supportive emails, cards and calls I received when I had the virus, to the extraordinary concern extended to our marvelous staff it reminds me of the caring community we have.

And how about that staff? They have been amazingly adaptive, uniformly positive and caring towards our members and each other. From my seat, it is one thing to know what has to be done, but having staff that can "make things happen". Well that is something to be thankful for.

New Members? Yes and we have been truly blessed to have so many outstanding new members become part of our Hammock Dunes Family. They are energetic, fun and active parts of our Club character and culture! Welcome to the family!!

So, I suppose I could grumble about things that didn't work, or time missed, but why bother? As I recently discovered, even getting hospitalized with the virus had a golden lining- because it gave me antibodies that allowed me to spend time with an ailing father - the first family in the house since this started. I think the trade was worth it.

SO please enjoy the holidays, and appreciate all the things we can still do, regardless of restrictions we might find inconvenient. We will move on, and get back to the new normal. We have been tested, but we have not been found wanting! Happy New Year to all!!

Tips and Techniques from Pastry Chef Jim Guzzaldo

I recently started a new (to me) Charles Dickens novel. As I cracked it open, I was transported to the foggy, smutty streets of Victorian London and was reminded that classics are classics for good reason. It is in this spirit that I would like to redeem a classic holiday dessert this Christmas season that has for too long been relegated to a punchline or, worse, a pejorative. Yes, I'm talking of the humble (but mighty) Fruit Cake. That once revered Yule Tide classic that, like Rodney Dangerfield, gets no respect. Gifted and regifted, frozen, but rarely eaten, and even more rarely enjoyed.

Well, having enjoyed some legitimately good fruitcakes myself, I decided to stand up for those who can't stand up for themselves, for the downtrodden pastries of the world, and I have set myself about making a fruitcake to be proud of, to enjoy with loved ones or to proudly gift (bestow?) to the deserving of this world.

My fruitcakes consist of house made glacé fruits, spices, and brandy, and will undergo a maturing process of regular bathing in liqueur. I have already begun the process to have them ready and available for pre-order (supply will be limited) to be picked up by Christmas time.

So, join me in the resistance, stand against the tide of so-called pastry progress, and order your fruitcake today!

To place your order, e-mail Chef Cook:
LCook@hammockdunesclub.com

Deadline for Fruitcake Orders is December 20

Pickup will be on December 22, 23 and 24 between 2:00 p.m. and 4:00 p.m.

Hayes Cup

The Gold Game recently held its 8th Annual Ryder Cup which was renamed "The Hayes Cup" 3 years ago in memory of one of their beloved comrades, Rick Hayes. The Hayes Cup, held at Hammock Dunes over 4 days, entailed spirited daily golf matches, over the top dinners, special activities, and camaraderie (COVID style). The kickoff dinner was highlighted by a virtual appearance by Bill and Stephanie Susetka who led the group in our annual kickoff song Bill wrote called "Build Me Up Ryder Cup". The players made a generous contribution to the Hayes Family to be used for a local cause important to Rick and Gary. This year the Blue Team Captained by John Mitchell had a very strong 3rd day in Singles to prevail over the Red Team Captained by John Hart. As usual the group left nothing on the courses or wherever they held their nighttime festivities.

Golf News

News from the Golf Shop..

Happy Holidays! We wish you a healthy and happy season of celebration.

What a year. Right?

This year was a rollercoaster of uncertainty and achievement. There were many sad occurrences this year and there was some great progress made at Hammock Dunes Club. Some great improvements have been made because of the pandemic that will help us with our service delivery moving forward. We have a new online scoring system in events that will expedite our tournaments and we have a new golf shop at the Links and new POS and tee times systems at both shops that will help us serve you better on the retail front. For these things we are grateful. We are also grateful for a membership that kept their faith in us and participated daily through the situation. Participation has been fantastic, and we are trending toward one of the highest annual golf round counts that the Club has ever known.

There are some people that help us a great deal that we wish to thank. The members of the Golf Committee are people that give of their valuable time to help make recommendations to the Board about the golf program but also who work to ensure that your views about the Club are represented to the leadership on a continuing basis.

If you see them, please thank these outstanding people for their service: Don Newsome; Ray Zukowski; Kimmie Wise; Maggie Balzarini; Walter Wahl; Kim Juvinal; Andy Cunningham; Marion Manley and Bob Malin.

In 2020, I was a lucky Director of Golf. I had not one great Co-Chair, but two. Ms. Stephanie Susetka and Ms. Denise Buonaiuto were tireless in their efforts to make Hammock Dunes Club a better place. I thank them personally and professionally for their service.

In this edition I usually inform you that we will soon be headed to the PGA Merchandise Show in Orlando to look at new product for the upcoming year. With the pandemic and health concerns, the PGA Show has been cancelled for 2021. So, we will just have to rely on the vast award-winning talents of our new Director of Retail, Debbie Phillips, to bring us through the period and bring us what is new in the industry. We are excited to see what continues to unfold on the retail front. As always, if you have suggestions for us or would like to see a particular product in the shops please free to give us your input.

Again, Happy Holidays from your golf staff and we hope you and family have a safe and wonderful time together!! Please know that we are thinking of you during the holiday season.

Brad Myers, PGA, CCM - Director of Golf

Nine-Holers

Submitted by Beth Thomas

2020 is almost over and I think I can speak for everyone, when I say "good riddance". But, if you had to be stuck somewhere during a pandemic, Hammock Dunes is the place to be. We were so fortunate to be able to play golf. In these uncertain times, golf allowed us to improve our game while safely socialize with our friends.

Now that the state and the Club have eased up on the restrictions, we can get back to some fun 9-Holers group play. In October, the Ladies Social Group teamed up with the LGA to sponsor a Nine & Wine night. It was specifically designed to encourage new golfers and former golfers to come back to the game. 9-Holers were paired with 18-Holers as mentors, and it was a huge success. Rumor has it that Ann Newsome got a Birdie. Go Ann!! Keep an eye out for future Nine & Wine events and sign up early, they sell out fast.

Left to right: Cheryl Zukowski, Diane Fields, Mary Cahill, Suzanne Deroche; enjoying the Nine and Wine event.

I strongly encourage everyone to play in Wednesday's LGA for 9-Holers. Prior to play, Mike teaches a great 15-minute clinic. Please sign up in advance at the Golf Shop if you are interested in the Clinic. The Wednesday group is a great way to meet new people and make new friends.

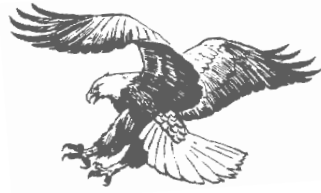

Finally, I am looking forward to working with everyone to make the 9-Holers program fun and inclusive. All suggestions are welcome. See you out there.

MGA News...

2020 President's Cup

Despite this unusual year of change, we have been fortunate to be able to promote and hold several MGA events in 2020... thank you Jesse and team for being creative and finding ways to keep our tournaments in play while maintaining a safe environment for everyone.

One of our most distinguished and important tournaments of the year is our President's Cup, now to be held on December 4 & 5.

A number of members have conveyed to the MGA that they would like to play in tournaments but cannot commit to two days or cannot physically play two days consecutively. To encourage more member participation, and increase camaraderie, we are offering a one-day format for those members who wish to participate on that basis.

This year our outgoing President has led the charge in keeping us all safe and our Club running as close to normal as possible, or as our State & Federal laws would allow. Our President, our Board of Governors, Jesse and his entire staff have all gone above and beyond their normal duties, providing both the policies and communications to keep our members safe while continuing to make our Club services available.

I hope you will join me in showing our appreciation by participating in this year's President's Cup.

Hope to see you on the range.

Frost & Fog Delay Tee Time Policy

On mornings when starting times are delayed due to frost, fog or rain, the following policy will be implemented:

In the event of a delay all tee times will be moved back an amount of time equal to the duration of the delay. Play will commence when it is determined by the maintenance staff that the course is prepared for play. It is imperative that rescheduled groups be at the tee and ready to play when called.

The HDLGA Holiday Charity

For over 10 years Christmas Come True (CCT) has assisted Flagler County residents who are in need. During the holidays the focus is directed toward making children happy and helping families remain intact. Every family will receive a holiday meal of their choosing from CCT. Kids get the gifts they want. Parents get peace of mind and dignity. We get to play Santa.

The CCT tree will be in our lobby. The tree tags list the holiday wishes of a child. Included stickers help the right gift get to the correct child (i.e., Family #3, Child #2). You can also give a random gift not addressed to anyone. Gifts do not have to be wrapped or assembled. More simply, you may write a check to Hammock Dunes Cares indicating CCT on the memo line and give it to Sara at the reception desk. Gifts must be received by December 9.

The HDLGA would like to thank you ahead of time for your generosity. For more information, please contact Becky Bush at beckybush121@yahoo.com

Employee Scholarship Fund

It's that time of year when we open our hearts and show our support of our wonderful Hammock Dunes Club and its employees. Under our Club nonprofit corporation, Hammock Dunes Cares, we offer our employees financial assistance towards their education. The Hammock Dunes Club Employee Scholarship Endowment Fund provides scholarships for our eligible employees and family members to attend classes at Daytona State College. Through your generous contributions we have provided financial help to 18 employees who attended 65 classes last year. The benefit of this program in both recruiting and growing our employees goes without saying.

As you are planning your charitable donations, please consider a donation to the Hammock Dunes Employee Scholarship Endowment Fund. Checks may be made payable to Hammock Dunes Cares, Inc. / Scholarship Trust and dropped off with Sara at the front desk.

Thank You,

*Ann Newsome
Chair, Employee Scholarship Endowment Fund*

Audubon Corner...

One of the most beautiful birds that live here year round is the Northern Cardinal. Cardinals do not migrate. They get their name because the color of the male's feathers is bright red like the clothing often worn by a Catholic Cardinal. Thought as the Christmas bird, cardinal has a spiritual meaning as the color red equals vitality and creativity. The Cherokee Indians believe the cardinal is an omen and the daughter of the earthly sun. If you see it fly downward it is bad luck. If you see it fly upward it is good luck.

The female is quite different from the male but no less beautiful. She is an even brown with warm red accents. Normally found in an open woodland habitat, this bird likes to sit low in scrubs near the ground. The Cardinal is a seed eater, sunflower seeds are a favorite, and has developed a very strong bill for this purpose. During the mating season the male feeds the female, this is called mate feeding. The pair does mate for life.

It is illegal to own or kill a Cardinal. They are a protected wild bird species under the "Migratory Bird Treaty Act of 1918"
