From the Clubhouse

From the Desk of Jesse K. Thorpe, General Manager

Distinguished Emerald Club
of the World
from BOARDROOM

Dear Members,

In response to the most frequently asked questions, below is a list of our current Covid-19 protocols. As always please contact me at the Club by phone (386) 445-0747 or by email at jthorpe@hammockdunesclub.com for any additional clarification you might need.

- **Quarantine:** We are still asking that members who have traveled to Hammock Dunes by mass transit or who have guests who come by mass transit to observe a seven-day quarantine from Clubhouse amenities. All outdoor sports and activities, to-go dining and wine purchases are available for enjoyment.
- **Masks:** We continue to require use of a mask when inside the Clubhouses, except when seated with a beverage or for meal service. The mask must cover nose and mouth.
- **Vaccines:** I am trying to arrange the availability of vaccines at our site, if possible. The vaccination process is under the aegis of the Flagler County Health Department. We are not keeping a signup list for appointments. All details will be established by Health Department Officials and will be forwarded when available. As indicated by officials, the greatest limitation we face is the availability of sufficient doses of vaccines for the demand in Flagler County.
- **Already vaccinated?-** For those fortunate to have already received both doses of vaccine, all protocols remain the same, except the seven-day quarantine requirement, provided the individuals continue to observe all other protocols.
As noted:
 - » The vaccine does not mean 100% protection from the virus.
 - » The virus is mutating, and vaccines may have reduced effectiveness.
 - » Being vaccinated does not prevent a person from being an asymptomatic carrier and being able to infect others.
 - » The length of vaccine immunity is unknown.
 - » The CDC recommends continuation of mask wearing and social distancing until herd immunity levels of vaccination achieved.

I wish to thank the many members who are so diligent in observing these protocols for the health and safety of fellow members, their guests and our staff. By now, carrying a mask has become part of our culture. We appreciate your support as we continue to work through this challenge.

Stay Safe. Stay Healthy!

Food & Beverage Happenings...

We have begun to start hosting member events the last couple of months and it is so nice to get back to some sense of “normal”. Many of our events have limited capacity for reservations. For some events, this is to ensure the expected level of service is executed for the event, while for others the capacity is for safety & precaution as we still navigate Covid. For all events, you must sign up with all the names in your party at the time of reservation – we are not able to “hold spaces” for you. Once the event capacity has been reached, a wait list is created. If someone in your party needs to cancel, please do not fill those seats with other members. Those on the wait list will be given first priority to add to the event if there is a cancellation. While we will not add other members to your table, adding folks from the wait list to the event is the most fair practice.

As always, if you are willing to be seated with other members at special events, please let us know at the time of your reservation so we can adjust the seating diagrams accordingly. This is a great way to meet new faces at the Club!!!

For special events, reservations are accepted as soon as the event is published in the Dunescape, Club app and website, or via Club e-mail. Ala carte dining reservations may only be made 7 days in advance. You will begin to see in the event advertisements clarification when reservations can be made to avoid any confusion.

We want to provide events to the membership that are fun; and always welcome your ideas if there is something particular you would like to see offered.

Tips and Techniques from Pastry Chef Jim Guzzaldo

Baking Technique #7 - Sponge Cake

(With Irish Coffee Tira Misu Recipe)

Mixing and baking sponge cake is a baking technique that builds off the technique I discussed in January, whipping eggs. Sponge cakes are leavened by whipped egg foams, and produce a light, springy cake used in a wide variety of fine, European style cakes and pastries. Additional ingredients, as well as various means of whipping and incorporating eggs create a wide array of cakes, from ladyfingers to pound cake. I will offer a brief explanation of the universal principals consistent throughout the various approaches to sponges, and then outline some of the more common varieties. Follow the link to access my recipe for Irish Coffee Tira Misu, complete with home made Ladyfingers. Don't feel like making it yourself? Let me make it for you! I will be featuring this dessert throughout the month of March on my dessert menu, available from the Links clubhouse.

Recipe for Ladyfinger Sponge

Ingredients

Granulated Sugar	1 ½ Cups
Eggs, Separated	8
Milk	½ Cup
Vanilla Extract	1 ½ tsp
All Purpose Flour	1 ½ Cups
Baking Powder	2 ½ tsp

*Scan the QR code
to see Chef Jim's
online baking
technique.*

Procedure:

- Preheat oven to 325 degrees and prepare one half sheet pan (18" X 13") by lining it with parchment paper.
- Combine milk and vanilla, set aside.
- Sift flour and baking powder, set aside.
- In mixer with whip attachment, beat egg yolks with ¾ cup of the sugar until pale in color, and doubled in volume.
- Transfer yolk mixture to large mixing bowl and wash the mixer bowl and whip.
- Whip egg whites in clean mixer bowl until frothy, then add remaining sugar, whip on high until glossy.
- While egg whites are whipping, gently stir flour mixture into egg yolk mixture, alternating with milk mixture, and beginning and ending with flour (three additions of flour, two of milk) to make a batter.
- Once egg whites are stiff and glossy, gently fold into the batter until just combined, but without streaks.
- Transfer batter to pan, spread even, and bake for 15-20 minutes, until lightly golden and springs back at a gentle touch.
- Remove from oven, cool completely before using.

News from the Golf Shop..

Thanks for all your support of the golf program through these long pandemic months. Play numbers have been fantastic and tournament support is through the roof. Hopefully, we can see the light at the end of the tunnel soon.

It is Club Championship time! My personal favorite time of the competitive year. It is time for your annual introspection about whether you are better since last year. Will you achieve a higher finish position in your flight? Will you win it all? We will never know unless you sign up.

The 2021 Club Championship schedule is as follows: Men on March 4 - 6 (February 26 is the Qualifier for the Championship Flight), Ladies on March 10 - 12; and Senior Men on March 26 - 27. Also, please note that the Ladies Member-Member is March 17 - 19. There will be an exciting new format this year and spots are limited.

I will be conducting Saturday Spring clinics from March 20 through May 1 this year. My hope is to give you better insight as to how to get more feel into your game and how to get your best swings from the practice tee to the course. Please see the advertisement in this edition for more details.

We hope to see you on the course soon. Please do not forget that we are here to help you with your game.

Nine-Holers

Submitted by Beth Thomas

You may have noticed; we have a lot of new members in the Club. The LGA is working hard to enhance the 9 holer program, designed to introduce new members to our fabulous golfers, have fun playing and improving your game. If you want to get the most out of your golf membership, you should sign up to be a member of the LGA. It allows you to play in the Wednesday golf games, participate in the tournaments and other LGA sponsored events. The tournaments have different formats. If you are new to golf start with the Scramble. For example, the Rally Tournament on February 24. You can create your own foursome and it is a scramble. There is no pressure. You play a little golf and give money to a charity.

The LGA sponsors a new Saturday afternoon 9-Holer Group. It's especially designed for those who cannot play during the week and just want to get out there and have fun. All levels are welcome. If interested please contact Mary Casamento. Mississippimary@aol.com.

Finally, as a LGA member you are invited to attend the year-end parties. Another great way to meet new people, rehash the season and say goodbye for the summer. The 9-Holers will be having their own year-end event in the spring. Our planning committee is working hard to create a wonderful event. Watch for details.

In the meantime, I hope to see you on the course.

Cheers!

Member Beth Thomas leads nine hole play on Wednesday each week.

HDLGA News...

18 Holers

Submitted by Suzanne Deroche, HDLGA Vice President

Spring is near and as such, our Ladies have enjoyed some great events with friends of old and new members alike. We are looking to better serve all players with a "needs focus" for the LGA population who enjoy playing 9 holes. The Board is working with our fabulous golf staff of Brad Myers and team to carve out more organized weekly groups in this area. Stay tuned for more information in the weeks and months to come!

Your LGA Board is working side-by-side with the MGA to streamline operations and to share best practices - all for the benefit of HD golfers! LGA Board Members are volunteering to assist the MGA with their various tournaments and events, as they did with **The 2021 Rally** in February. The ladies helped by encouraging the purchase of Mulligans, selling beverages, etc. which ALL benefited the Hammock Dunes Employee Relief Fund - the arm of our generous Membership that helps out employees in financial need and unexpected financial challenges.

In the works ... a professionally designed survey which will follow all golf events to capture the voice of the customer (that's you, Golfers!) to gain insight and feedback - good and not-so-good. Feedback is a gift, and that information will help us all meet the future needs of **Our Customers!**

In last month's **Memorial Charity Golf Tournament**, the tournament winners gifted \$637 to the charity of their choosing, which was Sheltering Tree in Bunnell. The foursome included Thelma Tumacder, Pat Rattray, Marti Gilchrist and Peg Anderson. **Thank you, ladies, for your dedication and generous hearts!**

Beth Thomas and Ann Morrone worked with the Board to begin plans for an end-of-season event celebrating the camaraderie and accomplishments of HD Ladies who typically play 9 holes. The event is planned for late April. Keep an eye out for more details! **Beth and Ann, your dedication is awesome!**

The HDLGA Member-Member planned for March 17-19 will see co-chairs Theresa Flynn and Margaret Condit's volunteerism for the second year in a row! These dedicated Members plan all year for this event and have especially risen to the occasion this year to organize the event while working within new health guidelines. **Thank you, Ladies! You're so appreciated!**

In closing, it's important to recognize two people who are making great strides within the Club's golf associations. They work countless hours behind the scenes to bring better value to the LGA and MGA Members. Maggie Balzarini and Ray Zukowski are united with their dedication to continuous improvement. **Thank you, Maggie and Ray, for all you do for this Club and for each and every golf Member!**

Croquet News....

And the Games roll on...as we celebrate 27 years playing croquet at Hammock Dunes Club. This last year was challenging, observing the Club's guidelines for Covid 19. This will continue as long as we must – distancing, washing hands and wearing masks (as requested). Bottom line: Be Prudent!! Of course, we know too well, without our croquet Members there would be no croquet. Thank you all for supporting croquet through difficult times. It will get better, PROMISE!!

John Browning, Chair and his Nominating Committee: Maureen Villiotte, Pat Green, Sandy Rhodes and Ron Huxtable present the following Croquet Board slate for consideration.

President - Beth Thomas
Vice President - Trish Thomas
Secretary - Mary Ellen Keck
Treasurer - Suzanne Deroche

If any other Croquet Member is interested in running please submit your name to the nominating committee before March 31, 2021. At that time, the slate will be presented to the Croquet Board for confirmation by the croquet membership. Thank you to John and the committee for presenting a formidable slate.

Hammock Dunes Cares...

The Victory Garden is Growing!
 Did you know Bunnell was famous for growing potatoes?

Hammock Dunes Cares has been building a Victory Garden in Bunnell, and we are having a lot of success thanks to your support. Soon we will install trellises to double our yield. Did you know cucumbers grow extremely well on a trellis?

We installed 7 raised beds, filled them with soil, installed irrigation and seeds were sown. These beds have produced onions, celery, carrots, greens, cabbage, parsley, turnips and more. Did you know radish seeds produce radishes in just 23 days?

We fenced the garden to discourage deer. It's wide open for people. There are grape vines, pear, tangerine and banana trees. We have melon and berry patches plus containers for growing potatoes.

Many of you have supported us with labor and donations. Thank you for every dime, every shovel full, every kind word and every prayer.

PJ Conniff, Hammock Dunes Cares VP

Many Thanks...

I would like to extend my thanks to all of you for your generosity and thoughtfulness during my current accident and long recovery period. I have received so many best wishes cards, and delicious food delivered to my door from so many of you. At this point I have 24/7 home care but hopefully I will no longer need it as I get stronger. I am blessed to live in this community and count you all as friends.

Audubon Corner...

Thanks to Ann Tranzow and Nancy Cumming for these great pictures of a Great Horned Owl.

Their name is derived from the feathers that appear to be "horns" near their ears. They are 18-25" in length with a wingspan of 36-60" and weigh 32-63.5oz. The female is 10-20% larger than the male. They are very long-lived some living up to 19 years in the wild.

Owls have spectacular binocular vision, [can see in low light]. Their eyes are almost as big as ours but are immobile. In order to see they can turn their head a full 270 degrees. Usually, they hunt at night so their vision as well as their amazing hearing is very important. Their ears are not placed in the same position of either side of their head. The right ear is typically set higher and at a slightly different angle. An owl can pinpoint both the horizontal and vertical direction of a sound, giving them wonderful depth perception and up and down direction. They hunt mostly small mammals but 250 different diet items have been found. These birds have 200-300 lbs per square inch of crushing power in their talons and can easily take prey 2 to 3 times their weight so watch over your small dogs and cats.
