# From the Clubhouse

From the Desk of  
Jesse K. Thorpe, General Manager

Dear Members,

Some great news- we have started receiving applications for the open positions in our Food and Beverage operation, so we can anticipate re-opening on Wednesday nights sometime in September! We have a great deal of training to bring staff up to speed on our menus, and our service standards. Crystal, Julie, Morgan, Brianna, and Chef Cook will be putting these new members of our team through their paces. Of course, then they need to learn the membership- which takes a bit longer. As you see some new faces, please take a moment to get to know them a bit and help them feel welcome. Training is a never-ending pursuit and competence comes with time and confidence.

That said, we hope, at some point in September, to see the number of cases of Covid decline in the area. This too seems like a never-ending process, but now with booster shots being added to the protocols for vaccinated persons, we hope to see this tail off. Time will tell. That said I have to thank the many supportive members who have helped make the best of a poor situation.

Meanwhile we are gearing up for October and the return of many of our traveling members.

*Jesse K. Thorpe CCM, CCE GM/COO*

# Covid-19 Delta Variant Protocols

As we know, the highly contagious nature of the delta variant of Covid-19 is having a significant impact on Flagler County. To provide the safest experience possible for our members and staff, we have reinstated a few of the protocols we had in place over the last 18 months.

## Food and Beverage

- Masks are required when entering the Clubhouses and may be removed when seated for meal service in a dining room.
- Advance dinner reservations via phone are required, no walk-in diners will be seated, to allow dining room management to properly space dining parties, allocate our limited staff resources, and provide better service.
- Meal service for dinner in Rick's Bar is suspended. Drink service only, is available.
- Larger Club social events and dining events are cancelled until conditions improve.
- All outside banquets have been cancelled until October when the situation will be reevaluated.
- Guests and family may order takeout meal service or dine poolside or at the ternstand during normal posted operational hours for those outlets.

## Sports and Fitness

- Masks are required indoors - no exceptions.
- Fitness classes have been modified to accommodate the mask requirement.
- For outdoor activities, social distancing will be encouraged whenever possible.

## Golf

- Until further notice all shotgun starts for tournaments have been changed to tee time events with cart menus for meal service.
- We encourage single rider cart use for maximum safety. Members may ride with other members if they wish, however members must share a cart with any family members or guests they host on the courses.

## Staff

- All staff are required to wear masks while inside the clubhouses.
- We are incentivizing all employees to be fully vaccinated, offering a \$100 gift card once vaccinated, with a drawing for a \$500 gift card in October. We hope to encourage a significant percentage of staff to be fully immunized.

## Guests

- Guests, including Family Guests and Houseguests are restricted from entering the indoor Club facilities until further notice.
- Guests are welcome to use all outdoor facilities, activities and the pool.
- They are welcome to order takeout meal service or dine poolside or at the ternstand during normal posted operational hours for those outlets.

Our desire is to keep services and amenities available to the members while enacting every conceivable measure to keep members and staff as safe as possible. We are closely monitoring conditions and will return to full operations as soon as possible.

## News from the Golf Shop..

I want to thank all of you for your continued play through Covid cycles and weather cycles. We are very excited to be planning our fall schedule of golf events and while we still aren't completely sure as to what protocols we will be operating under we know there will be golf and we know people will be having fun.

Please make sure that these tournament dates are on your calendar:

Have you been in the Links Shop lately? Debbie continues to amaze with the new product that is coming in.

If you don't feel that you are reaching your playing goals or that you want to create a plan for improvement, then we would love to help you with that. I will be doing some shoulder season clinics to help you with your game. I will be conducting 10 a.m. Links Course clinics on the following dates:

Saturday, September 18 – Full Swing  
Saturday, October 2 - Putting  
Saturday, October 9 – Full Swing

Please see advertisement in this Dunescape for more Clinic information. Sign up by calling the Links Shop at 386.446.6222.

## THE "WHY DOESN'T MY GAME EVER IMPROVE?" CLINIC

Have you or one of your golf partners ever said that? Come out and find out some of the answers to that question. This series of clinics will focus on some swing and putting concepts for improvement, but we will also take some time to look at why people seemingly get better in their range area sessions but can't get that improvement to the course. We will look at strategies for taking your talent to the course. Director of Golf Brad Myers will be conducting a series of golf clinics at the Links Course. The clinics are open to women and men in all handicap ranges and will be held on Saturdays. Clinics will be 10 to 11 a.m. The clinic dates and topics are as follows:

**Saturday, September 18 -- Full Swing**  
**Saturday, October 2 -- Putting**  
**Saturday, October 9 -- Full Swing**

Clinic price is \$35 per person per hour and each clinic will be available to the first 6 people who sign up for each clinic. We are capping the number of spots available so that each member can receive an appropriate amount of individual attention. So sign up today by calling the Links Golf Shop (386.446.6222) and get started on the road to lower scores.

Ah fall is right around the corner!! It is the best time of the year to play golf.

It is the start of cooler weather; fewer thunderstorms and our friends start to return for the season. Admit it, as much as we enjoy the quiet slow pace of summer, we love to see everyone coming back. They bring a certain energy to golf and the Club and are missed when they are not here.

Why not try to play some fun games to celebrate their homecoming. It will be fun. Here are some suggestions.

1. **Bingo Bango Bongo.** This is a point game. The first player to get on the green gets a point. The first player to get closest to the pin, once all the balls are on the green gets a point and the first player to make the putt gets a point. The player with the most points at the end of the round wins.
2. **Rabbit.** The first player to get the lowest score gets the "Rabbit", (no ties). If on the next hole someone other than the holder of the "Rabbit" gets low score, the Rabbit is set free. The lowest score on the next hole can win the "Rabbit". Repeat this pattern for the round. The person with the Rabbit at the end of round wins. Wouldn't it be fun if you played with a little stuffed rabbit? Don't worry we will make the rabbit wear a mask.

I look forward to playing some games with everyone this fall!!!

*We're all waiting for Krazy Larry Pants!

## Croquet News....

And the Games roll on as the hazy, lazy days of summer grow shorter. Once again enforcing “six degrees of separation.” Actually, the same situation existed last September. Let us be prudent, vaccinated or not. Remember to keep hydrated and keep playing ‘n enjoying the Game of Croquet!!!

Rolling Back: We held a party for Sandy Rhodes and Winnie Gilbert who will be redirecting to Hilton Head, South Carolina. Needless to say, we will miss two dedicated croquet players. The good news is they will continue to play the Game at The Cypress! Sandy was very active playing six wicket croquet since she moved here in 2005. Sandy traveled to many tournaments and enjoys a low handicap. She was on the Croquet Association Board as President and then shared Treasurer’s position with Pat Green. Needless to say, Sandy was always involved in teaching.

Winnie was engrossed in golf croquet - a delightful player who made the Game fun for all!! We say “Au revoir,” until we meet again. We thank our Croquet Association President, Beth Thomas, for planning this event.

### Wicket Reminders:

Tuesdays	6 Wicket Croquet	1:00 p.m.
	Aussie Croquet	3:15 p.m.
Fridays	Golf Croquet	3:15 p.m.
Saturdays	Aussie Croquet	3:15 p.m.
Sundays	6 Wicket Croquet	1:00 p.m.
	Golf Croquet	3:15 p.m.

Lessons upon request.

The monthly schedule continues on the September calendar. Email Beth Thomas at [bththomas635@gmail.com](mailto:bththomas635@gmail.com) with questions.

Remember: Croquet is our Game: Just play, have fun, enjoy the Game!!

*And the Games roll on ... off to the Courts... See you there.*

Verdi's Falstaff**

This 2013 live recording of Falstaff from the Metropolitan Opera House stars Ambrogio Maestri. Falstaff is a comic masterpiece: one of Verdi's most perfect operas. The charismatic Maestri seems to have been born for the title role, and he is supported by a terrific cast, set, and orchestra.

All are welcome. The program will begin promptly at 4 p.m. in the Board Room, and there will be two 10-minute intermissions. Please remember to arrive early and enjoy a glass of wine or champagne before.

Seating is limited to 15,  
for proper social distancing.  
Masks are required

## Book Club

Plan to join the discussion of John Grisham's new Jake Brigance novel, A TIME FOR MERCY on Wednesday, September 15. Third in the series with A TIME TO KILL and SYCAMORE ROW, Jake Brigance is once again a principled small-town Mississippi lawyer who specializes in seemingly unwinnable and unpopular cases.

Drew Gamble is a slight 16-year-old boy who has the opportunity to put an end to a violent and abusive man's life when Drew thinks that man has killed his mother. As in A TIME TO KILL, the perpetrator commits murder for compellingly good reasons, but is still guilty of murder. The man is a local cop. The crime immediately divides the small town of Clanton. Grisham takes his time familiarizing the reader with everyone and everything. Too much time some would say, but the reader comes to understand the motivations and backgrounds that create this timely, timeless novel.

Put 3 p.m. Wednesday, September 15 on your calendar so you can be part of the discussion. It's about many current topics, e.g. child abuse, domestic assault, policing, law enforcement, discrimination, generosity, love and charity to name a few. Carol Swinburn is the discussion leader.

If you have any questions, please contact your Book Club leaders:
