From the Clubhouse

From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

With the weekly updates I put together it seems like I am fairly caught up with sharing things about our project. Still, as we approach a projected mid-late February opening of the new Fitness Center, it is likely that I cannot over communicate on what to look for. Walter will describe classes and equipment in this edition of the Dunescape...my thoughts are a bit more utilitarian. As the ceiling and floor installations are completed early in the month, we have scheduled the delivery on new equipment for the week of February 18. As part of this installation process, we will also relocate much of the existing strength equipment from the existing facility and install in the new facility. I will send a special communication when we have identified the dates that we will make a temporary closure while we migrate equipment, so please read all that we send in that regard.

Meanwhile we continue to work out of two dining rooms. My thanks to the membership for being so wonderful about making reservations for dinner. It has made working with less physical space as effective as we can be. Over the next weeks, we will get close to opening our new Dunes Tavern space, and we will be in a short term state of upheaval again. Staff is working hard to minimize the inconvenience, and we are sorry for any who have been inconvenienced while we make these changes. The final outcome will be worth the effort, dust and inconvenience.

So, in the meanwhile, we look forward to continuing to serve you at your Club!

Jesse K. Thorpe CCM GM/COO

Cicerone?

A few months ago, Jordan VanArsdale and I were talking about her growth with Hammock Dunes Club. During that conversation she said she would like to work towards becoming a certified Cicerone. I quickly said "of course" and thought it was a great idea.

When she went back to work, I thought to myself, what the heck is a Cicerone, so I googled it to find out more of the details for her....and myself. The word Cicerone (sis-uh-rohn) designates hospitality professionals with proven experience in selecting, acquiring, and serving today's wide range of beers. To claim the title of Cicerone, one must earn the trademarked title of Certified Cicerone® or hold higher certification as Advanced Cicerone™ or Master Cicerone®. Those with a basic level of expertise gain recognition by earning the first-level title Certified Beer Server.

This past month, Jordan took and passed her exam and is now a Certified Beer Server. When you see her behind the bar, proudly wearing her Certified Beer Server Pin, please congratulate her in taking the first step towards a Certified Cicerone, or what I would say, "a beer expert."

FROM THE KITCHEN

What a way to start off the new year with a lot of culinary excitement. It has been a busy month, I must say.

The weekend of January 12, I competed in the Semifinals for the National Title of ACF (American Culinary Federation) Chef of the Year. It was a great experience meeting and competing against some of the top chefs in the country at the Culinary Institute at Virginia Western in Roanoke, VA. The two ingredients that we were required to use were Bone In Lamb Saddle and Slab Bacon. It was a Category KC Hot Food Competition where we had 1 hour to cook and prepare 4 entrees with a 10 minute plating window. The clock ran down to the last second as I placed my last finishing ingredient onto the last of 4 plates. Perfect timing. I came away with a Gold Medal in the award ceremony, but missed 1st place by 1 point. It was great to have the exposure from it being streamed online across the nation and hearing from Chefs in the industry from Florida to Massachusetts, saying it was great to watch. If selected for 2020 semifinals, I am determined to move on to Nationals.

It was a great showing for Hammock Dunes Club on Monday, January 14 at St. Johns Technical High School Culinary Academy. I (along with our Lead Line Cook Ryan Schmidt) entered into a competition that was being held with 6 area Chefs competing in a mystery basket format with the same timeline as the Virginia competition (4 entrees with 1 hour and 10 minutes to plate). The event was sponsored by the ACF St. Augustine Chapter and had more than 60 spectators (the event raised money for/and promoted the chapter as well as the Culinary Program at the school). The attraction (for me) to the event is that the culinary students were the judges. They had the opportunity to observe, ask questions and learn so much from this experience – as they too will be competing towards the end of the school year in Regionals and attempt to advance to the State Competition level. The students presented me with the highest marks and awarded me the overall top prize. I was honored.

Thrilled to have received my WCEC (Worldchefs Certified Executive Chef) which is an International Certification through WACS (World Association of Chefs Societies). I will be going for my WCMC (Worldchefs Certified Master Chef) in the upcoming months. As of December 2018 there are only 22 in the world that hold this distinguished WCMC certification.

It is always great to get the Hammock Dunes Club Culinary Team involved with events, competitions, certifications, etc. Events like these improves on a culinarian's skills tenfold, increases efficiency and organization of one's work station/flow and adds finesse to their plating technique. Most of all it keeps them excited, involved and always pushes them to be better than the day before.

Thank you for being a part of this special event!

HDLGA News...18 Holers

Submitted by Kimmie Wise, HDLGA Vice President

Hard to believe we are already in to the second half of the HDLGA Golf season. Summing up our January events: The Memorial Tournament, chaired by Mary Jane Lefebvre and Maureen Villiotte, was very well attended. After a champagne toast to those ladies no longer with us, the players enjoyed a fabulous lunch. Ten dollar Mulligans went toward the Flagler Humane Society. Congratulations to the winning foursome of Pat Bevan, Karen LaBruzzo, Debbie Kiss, and Deanna Springfield.

Our mid year meeting had 30 golfers despite the chilly temperature. We played for the fun of it and everyone was a winner! We also collected donations for the local Food Bank. Abbe Hirschler did a great job planning this event and both she and Gina Hull showed off their flexibility skills. During lunch, President Stephanie Susetka gave us an update on HDLGA news and also handed out the nomination forms for next season. These will also be sent through fast mail, and available at the Golf Shop. Please consider getting involved.

A nice group went up to San Jose for Interclub. Hammock Dunes will be hosting on Wednesday, February 20. Please email Anne Gregorits if you would like to play and help show off our beautiful Links Course.

Also coming is our Masters Challenge on Wednesday, February 6. The format for this will be flighted by "decades" with flight winners as well as an overall champion. Thank you Diane Stenclick and Gail Ortlam for co chairing this Championship.

By now you should have filled out your forms for this year's Rally. We will again be "Radiant in Red" supporting the local chapter of the American Heart Association. Carol Rabinovitz is the Rally chairman and Julie Cook is chairing the golf day which, along with the lunch, is Wednesday, February 27. Maggie Balzarini is organizing the raffle gift baskets. Let her know if you would like to create one!

Other dates to keep in mind (some signs ups are already underway): Tuesday, March 5 Interclub at Marsh Landing; Wednesday, March 6 Ladies Club Championship; Wednesday March 20-Friday March 22 Member/Member Tournament; Wednesday, April 3- Friday, April 5 Member/Guest Tournament. And before you know it will be Closing Day on Wednesday, May 1.

Enjoy the remainder of the season and play well!

The Golf Heart Rally will be on Wednesday, February 27, at 9 a.m. at the Links, shotgun/scramble, pick your partners (or have the golf shop do the pairing) followed by a gala luncheon. Julie Cook is chairing the golf rally this year. Forms are in the golf shop and the locker room and should be sent with your check to Carol Rabinovitz before February 15.

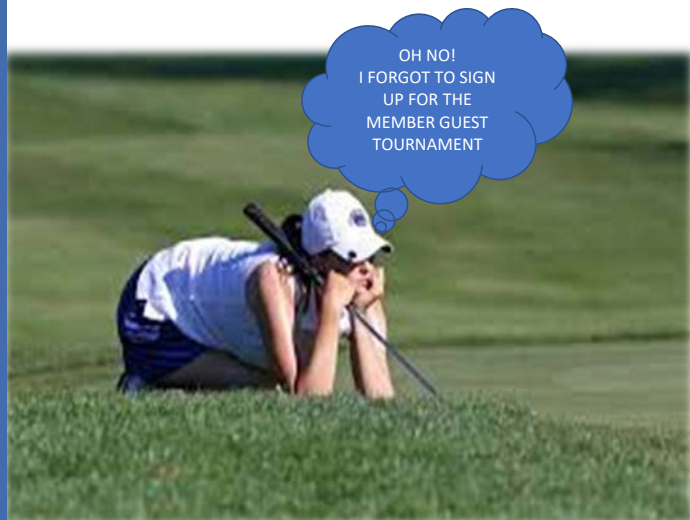

As usual, forms for the Valentine Promotion will be in the Men's Locker Room at the Links.

This is a way to show the women in your life that you care about them. This year, the donations will go to the American Heart Association. All funds will be used in Flagler/Volusia Counties to serve our local residents... If you are sending a valentine, get the money in right away so we can send it out. If you are simply donating, any time until March 1 will work. Roger Lacallade is chairing the Men's Promotion again this year.

Pros Corner...

Tips for a Powerful Tennis Backhand

These tennis backhand tips will give you some ideas on how to hit a powerful backhand. The best technique to hit a backhand is to hold your racket in such a way that the face of your racket is not open during the point of contact with the ball. To accomplish this, you have to hold the racket in such a way that your palm is holding the top part of the racket handle. Then support the racket with your left hand (for right handed players) by holding the throat of the racket.

Tennis backhand tip 1

The first tennis backhand tip is simple. Make sure your backhand shot gets an adequate warm-up and rather than trying to run around every backhand attempt to hit your backhand crosscourt. Getting into the habit of hitting too many inside-out forehands can exemplify the weakness on your backhand wing over time due to a lack of practice.

Racket Preparation for the backhand

Preparation is crucial for the tennis backhand, whether it's the one handed or two handed tennis backhand, the principles are very much the same. Good preparation means recognizing the ball early, and getting a head start on the tennis ball's flight path. This means that your eyes must recognize your opponents hit sooner so your body knows where to move. Understand that preparation is the first step that starts the tennis backhand, and lack of preparation will be detrimental to getting to the tennis ball on time and ready to execute the shot.

The preparation on the tennis backhand is very much the same on both the one handed and two handed tennis backhand. In both cases, the eyes recognizes the opponent's point of contact, and as soon as that happens, you must initiate the preparation with the body first. Taking a wild backswing immediately after the opponent's hit will not only cause you to mistimed the ball, but also you will not get the clean contact that you want on the tennis backhand.

DAVIS CUP RESULTS

Thank you to all twenty four participants for playing in this year tennis Davis Cup event. The theme was France versus Croatia. Captain Roger Leverton of Team France and Captain Jan O'Hara of Team Croatia battled to the very end with lots of good tennis, high team spirit and of course lots of laughter. Team France won nine matches to six but there were lots of close sets. After the duel everyone stayed to enjoy some delicious Croatian and French food compliments of Chef Lance Cook.

Opera at Hammock Dunes

February 7 ➤ from 4 – 6 p.m.

Hammock Dunes Opera presents Anna Netrebko and Dmitri Hvorostovsky live in concert from Red Square, Moscow - The Concert of a Lifetime

In June 2013, two of the world's greatest opera stars, Anna Netrebko and Dimitri Hvorostovsky, performed together on an open-air stage from Red Square. Replete with Italian opera arias and duets the concert ended with the final scene from Tchaikovsky's Eugene Onegin. Tumultuous applause and numerous encores brought this memorable event to a close. Tragically, Hvorostovsky died of brain cancer several years later.

All are welcome. The opera begins promptly at 4 p.m. in the Boardroom and there will be an intermission. Please remember to arrive early and enjoy a glass of wine or champagne before the opening curtain!

Presented by:
Baerbel Puritz - 445-8737

As always, after the final curtain and applause quiets down, please consider staying for dinner. Call today for reservations ~ 445-0747

Book Club

LITTLE FIRES EVERYWHERE, Celeste Ng's new novel, is the subject of Book Club's February 20 meeting. Set in Shaker Heights, Ohio, where the author grew up, the book traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives.

As one reviewer noted, the vast, complex network of moral affiliations involved in LITTLE FIRES EVERYWHERE make it even more ambitious and complex than her debut novel, EVERYTHING I NEVER TOLD YOU. A mysterious house fire, deemed arson because there were "little fires everywhere", initiates the drama after a single mother and her teenage daughter have arrived in town. Complicated family dynamics, small-town politics and a custody battle over a Chinese-American baby ensue.

Plan to join the meeting in the Links Lounge at 3 p.m. on Wednesday, February 20. Our discussion leader will be Linda Browning. The meeting is open to all members. If there are any questions, contact Carol or Pat.

Employee of the Month...

Greg Cudney is our Employee of the Month from the Culinary Team at Hammock Dunes Club.

Greg is currently the Sauté (Line) Chef in the Links Clubhouse Main Kitchen. He has a fantastic history in the culinary field as the Kitchen Manager of Grand Seas Resort, Daytona / Kitchen Manager at Grind Gastro Pub and Tiki Lounge, Ormond Beach / most recently the Kitchen Manager at Crane Lakes Golf and Country Club in Port Orange. Greg has a drive and passion to learn as much as he can about food types and cooking techniques. He is doing an excellent job making sure his station mise en place is in order, assisting team members that may be in need of it and efficiently executing service to the standards required. He is excited about moving to his new sauté "home" in The Dunes Tavern once it is completed.

This picture was taken close to his hire date back in March of 2018. Very soon after starting, he decided to cut his golden locks.

When you see Greg (especially) through the new Kitchen Pass in the Tavern, wish him a congratulations.

Audubon Corner..

Beautiful in blue, Blue Jays are a treat for the eye. They are native to North America, residing throughout most of eastern and central United States and southern Canada. There are four subspecies of Blue Jays although the variations are subtle, more technical, the Florida Jay being one. Florida Jays are smaller than Northern Jays probably because of climate. The males and females look alike. They love Oak trees and acorns. The northern most subspecies sometime migrate in flocks of 5 to 250 birds but their migratory behavior remains a mystery as some years they go south and some they do not.

The oldest Blue Jay was 17 years old.

Big kudos to our HDOA and the DCDD for stepping up their game in regard to fulfilling our Audubon International requirements for our lakes and the (non) trimming of those lakes. Our reward for this good practice is the wonder flocks of migrating birds that will stop over on our lakes this year.
