From the Clubhouse

From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

All kinds of great things are happening around the Club- perfect, we aren't, but we are making a great deal of progress. For example, a recent visit by a panelist (rater) from Golf Digest found the Creek Course to be a fantastic course in great shape- he even inquired about membership, and promised to come again with another panelist friend.

Dining activities have been, universally, better attended than the past- a testament by your palates, that the Chef and his team are making great strides in our culinary team.

Croquet, bocce and pickleball play is up across the board...and when weather permits, the pool is crowded.

The Fitness center should open on March 8, and then we can offer new classes and some fantastic new equipment. As we observe your utilization patterns we will make adjustments to the programs, classes and schedules to meet the needs of the majority of our members.

Sometime in early April we anticipate opening the Dunes Tavern. Again, we will open with more simple menu offerings and a strong adherence to advance reservations, while we offer a new type of dining experience in the Seaside Dining Room on weekends (Friday and Saturday nights). Please keep in mind that we are not going to have the benefit of a "soft opening" as my friend in the casino business refer to. Timing is such, that we will open in peak season on all new equipment, in a new kitchen and dining room, that nobody has ever worked in before. There will be a learning curve as our staff and management adjust to new procedures, practices and facilities. We fully anticipate some bumps in the road...it is inevitable and unavoidable if we are to open in the busiest time of the year here. SO we ask your continued patience while we work out the best methods to meet your needs and expectations.

As such, we will hold the 32 seats in the bar open for walk-in traffic, but the Tavern and Dining Patio will be a reservation strongly suggested zone in order to accommodate you best. No kitchen could handle 130 people sitting down at one time, so we ask you to "spread out as time slots fill". The sooner you make a reservation, the more likely you are to have the table and time you desire. We will not have any "standing reservations" in the new Dunes Tavern, while we open for all members to gain equal access, so please call!! Just because a table is open when you walk in, does not mean it is available- someone might be assigned that spot at a time when we cannot accommodate both you and the advance reservation party. On nights when we are in the Dunes Tavern only (Tuesday-Thursday and Sunday nights, spreading out into Seaside is not an alternative, initially as the kitchen is not designed for another 60 seats. If demand is there, we will expand service into that space on additional nights. Of course, we will still use the ballroom for buffets and special parties and events...the new options allow us to review programming and to add new features in the future.

As we get comfortable with the new space, menu items will change and we will look at seating times. The positive side is that we will be open Tuesday-Sunday nights in the new Dunes Tavern, so we hope to spread out the crowds a bit to make the experience better for all.

So, as you hear more about this, please understand that we will all be headed into unseen territory. We have been planning and discussing this for a long time, but as the Zen philosopher Mike Tyson once said (as shared by Larry Eisenberg- "everyone has a fight plan, until the first punch is thrown." We are looking for the first punches and will adapt as we go.

Thanks again for your continued patience and support.

Jesse K. Thorpe CCM GM/COO

FROM THE KITCHEN

It is with a heavy heart that I inform you that our Certified Executive Pastry Chef, Caitlin Schneider-Frantz, will be relocating to Cincinnati at the beginning of March. During the last 1 year and 8 months she has been here, she has done an excellent job. Making breads from scratch, desserts with flair, holding a demonstration for the Ladies Social Group, creating decadent items for a la carte, banquets and member events – it all has been spectacular. Although we are saddened to see her go, we wish her the best of luck in her new surroundings and am certain she will do great things. I have started the process of interviewing for a new qualified pastry chef and will keep everyone informed.

Frost & Fog Delay Tee Time Policy

On mornings when starting times are delayed due to frost, the following policy will be implemented:

In the event of a delay all tee times will be moved back an amount of time equal to the duration of the delay. Play will commence when it is determined by the maintenance staff that the course is prepared for play after a frost delay. It is imperative that rescheduled groups be at the tee and ready to play when called.

News from the Golf Shop..

Are you better at golf now than you were last year at this time?

I hope that everyone has a method by which they can determine an answer to that question. You could chart your handicap changes by month, but would that tell you the whole story? I have a suggestion: Play in your club championship! By doing this and keeping a record of your performance you can track your progress. You can tell where you finish against golfers in the same handicap range (aka – your flight).

The 2019 Club Championship schedule is as follows: Men on March 14-16, Ladies on March 6-8; and the Men's Senior on March 29-30.

Also, please note that the Ladies Member-Member is March 20-22. Spots will go fast for this one.

There is another little championship match play event in March. We will be holding our annual Hammock Dunes March Madness Sale. Here is how it works. Upon making a purchase, you can draw a team from the group of 64 schools competing in the NCAA Men's Basketball Championship. The amount of discount that you receive on your purchase will be determined by how far your drawn team has advanced in the tournament (Discounts range from 5% for making the field to 50% off for making the championship game. The sale begins after round one action and concludes with the National Championship game. Sale applies to Women's and Men's in stock apparel and does not apply to previously marked sale merchandise.

On another merchandising note, please don't forget our March Demo Day. On March 28 from 11 a.m. to 3 p.m. at the Links practice tee representatives from Callaway Golf will be on hand to show you their new 2019 product.

We hope to see you on the course soon.

Brad Myers, PGA, CCM - Director of Golf

HDLGA News...18 Holers

Submitted by Kimmie Wise, HDLGA Vice President
Early February was beautiful. The kind of days that make you say, "this is why we live here." And why more than 30 ladies participated in our Masters Challenge. Congratulations to Overall Champion Lin Culver, as well as all the Decades/Flight Winners. Thank you Diane Stenclik and Gail Ortlam for running this event. The centerpieces were a huge hit!

Hammock Dunes hosted an Interclub on February 20. Many Ladies from various clubs enjoyed a day at the Creek, making new friends, and of course eating a fabulous lunch. There are a few more Interclub opportunities this season. Watch your fastmail and let Anne Gregorits know if you would like to play.

Many, many thanks to Carol Rabinovitz, Julie Cook, and Maggie Balzarini for their work on this year's Rally. All the details from the Golf Day and luncheon will be in next month's Dunescape. Right now, I would like to give a special shout out to Carol Rabinovitz for being head of Rally Operations for the past 15 years. She has done an amazing job! Carol has decided to step away, but we are very lucky to have Mary Casamento taking the reins next season.

March will be busy as always. The Ladies Club Championship begins on the 6th. All levels are encouraged to sign up. Then we have the always popular Member-Member tournament March 20-22. Pat Rose and Sharon Gardner have been working hard to give us three fun days and 50 Shades of Green.

Last, but not least, the highlight of the season... Hammock Dunes Ladies Member Guest April 3-5. By now your paperwork should be filled out and turned in to the golf shop. Be thinking about what your group will be wearing for "Golf, Girl, Golf" (you've come a long way, baby). Debbie Youngerman and Sara Morrison have been very busy preparing for what I'm sure will be a successful week.

Don't forget that your nomination forms are due to Deb Ignatuk by March 8. Please consider getting involved with your HDLGA by chairing a tournament or serving on a committee. The slate will be posted on April 1 and a vote will be held at the closing day lunch on May 1.

Nine-Holers

Submitted by Lynette Overbey

Hearty Nine-Holers bundled up to play in their January Scramble and Snacks event. Despite the blustery conditions, the ladies had a surprisingly good time facing down the weather and playing some winter golf. The reward was a Wine & Pizza gathering afterwards. They were joined by other, less adventurous (more sensible?) Nine-Holers who passed up the golf but did not want to pass up this chance to get together.

Croquet News....

And the Games roll on...as Spring rolls in bringing the perfect weather to play croquet (promised by our friend, Punxsutawney Phil). We celebrated our 25th Anniversary in January including the December/January member birthdays. Quite the Event....not only a year older but a year stronger in numbers - 102!! Without our supporting members, we could not celebrate this memorable party. That is why Dorthy and Win Fosse will always be remembered, the founders who believed in Croquet as the sport of the future.

This special event started with Golf croquet chaired by John Browning; 6 wicket set up by Bev Farber; and Aussie croquet chaired by Don Finch. This was followed by a fabulous dinner at the Creek, honoring all Croquet Members. "Kudos" to all mentioned above. "Merci Beaucoup" To Diane Leifer...Social Chair, and Jonnie Finch for setting up menu and décor; also to Lisa and her dedicated staff. An evening appreciated by all.

In February we picked our favorite partners to enjoy Valentine fun with Golf Croquet followed by partying in the Links Lounge. Hearts were the decor of the day with a "Heart-y" buffet all planned by Diane Leifer, Social Chair; Julie Gamble & Jonnie Finch...Croqueteers. A most heartwarming thank you to all.

Rolling Ahead:

Serve Ball Toss Tennis Tips and Tricks

What if your toss is always “off” and thus your serve is always “off”? Here are several tennis tips that may help. Do not hold the ball in your hand when you toss; hold it in your fingertips. Begin the toss in front of your legs. Toss the ball up and forward toward where you imagine your point of contact.

Do not flick the ball with your wrist as you let go; and, remember to release the ball with your hand at as high a spot as is comfortable, at least as high as your head. If there is a short distance between the release point and the contact point, there is less of a chance that the ball will go off course.

Make certain to toss the ball only as far as the height at which you’ll make contact, or a few inches higher. Higher tosses are more likely to stray, and even when they don’t, they’re more difficult to strike. Finally, reach after the ball with the arm with which you tossed it. These tennis tips should help you keep your toss on target.

Here’s the final bit of advice among the tennis tips for serving. If your opponent appears worn out after a long point, and is still catching his or her breath, aim your next serve directly at his or her body. An opponent who is out of breath will often make the return without taking required adjustment steps for returning a body serve.

Aiming the ball at the receiver will often thus result in a weak return that then allows you to hit an aggressive shot back.

This is among the easiest of tennis tips to ensure winning an extra point

Book Club

The March book club selection is *IN THE DISTANCE*, the captivating debut novel by Hernan Diaz that was a finalist for the 2018 Pulitzer in fiction.

Set in the booming antebellum American west, the story is about a young Swedish immigrant who finds himself alone and penniless in California, and sets off on foot to find his older brother in New York. "The Hawk", as the strapping hero is called, meets a cast of colorful and unforgettable characters as he heads east against the nonstop flow of immigrants heading west. It is a coming-of-age story set in the historical past, and a western like no other. Plan to join the discussion on Wednesday, March 20 at 3 p.m. Karen Moore is our discussion leader. With a background in accounting and knowledge of private club communities, Jennifer quickly grasped our processes and familiarized herself with membership. She is your main point of contact regarding monthly statements and related Club charges. If you have not met Jennifer, please stop by Accounting for an introduction.

Audubon Corner...

Thank you Pat Bevan and Deanna Springfield for this great picture of a beautiful pair of Pileated Woodpeckers taken at the Links course. This is the largest woodpecker in the United States. Male and female are very similar, but the female has a black forehead (the male's is red) and lacks the small red mark below the eye that the male has. These woodpeckers love Palm Trees and are very adept at getting through the heavy bark to insect colonies below. Their bills do not connect directly to their skulls. There is shock-absorbing tissue in between that allows them to pound away for hours without getting a headache. Their tongue has a sticky coating with which they gather numerous insects at one time.....good thing as they are big eaters.
