T.P. began his standup comedy career in the comedy clubs of Washington, D.C. and New York while still a journalism student at the University of Maryland. It didn't take long before Showtime, HBO, the major networks, Comedy Central and the Golf Channel showcased his talents. The Chicago Sun-Times called him "one of the best observational comedians in the business" for his ability to transform personal experiences and viewpoints into standup bits everyone could enjoy. Then, a new life experience transformed him and his art - golf. T.P. was hooked. His love of the game overtook T.P. and his comedy. Deciding not to fight this new focus, he became a comedian for fellow golfers – and those married to them or living next door to them!!

# From the Clubhouse

From the Desk of  
Jesse K. Thorpe, General Manager

Dear Members,

There has been a great deal of discussion about the reason we have built a new putting green behind the Tavern, and adding two more bocce courts. In essence, there are two reasons- the first is tied to our stated Club Tag Line – “Always in an oceanfront state of mind”. In essence, what we have found from you, the members, is the second greatest reason you love this community is the proximity to the ocean (the first is the great people here).

Over the last year, we have experimented with some events that have traditionally been held elsewhere on the property, and moved them to areas between the clubhouse and the beach, and the feedback has been overwhelmingly positive. So we are adding a new putting green where members can enjoy a beverage, perhaps a cigar, and socialize oceanside. Similarly we are adding two more Bocce Courts for the same reason. Of course we can always use two more courts to allow our active bocce leagues more space to play.

The second reason is a bit more pragmatic- with Chef Cook, Hans, Crystal and the staff providing great food and service, having facilities adjacent to F & B facilities will allow us to offer new services, taking full advantage of the proximity to the ocean.

So in the end, these new facilities are here to give our members and guests additional reasons to experience what our members have told us they love about Hammock Dunes Club.

*Jesse K. Thorpe CCM GM/COO*

## FROM THE KITCHEN

Try this recipe out for a hors d'oeuvre in the New Year, it is one of my favorites - they are delicious and easy to prepare...

### Bacon Wrapped Dates stuffed with Goat Cheese

*Serves: 10 (2 dates per serving)*

- 20 dates
- 10 slices bacon (the thinner the better)
- 5 ounces goat cheese, softened
- Toothpicks to secure

#### Preparation:

Preheat the oven to 365 degrees Fahrenheit. Slice the dates lengthwise on one side to create an opening. Remove the pit. Using a spoon (or pastry bag), stuff a small amount of goat cheese into the cavity of each date and press the sides together to close. Cut the bacon slices in half. Wrap each date with a slice of bacon and secure with a toothpick. Arrange evenly on a baking sheet with raised edges and bake for 10 minutes. Remove the dates and use the toothpick to turn each one. Bake for another 5-6 minutes and repeat until bacon is crisp to your liking. Remove from the oven, place on a paper towel lined plate to drain. Transfer to serving platter and serve warm. (#1377) Enjoy.

Submitted by Maggie Balzarini, HDLGA Vice President

*"EVERYONE CAN SEE MY SWING IS HOMEGROWN-THAT MEANS EVERYONE HAS A CHANCE TO ACHIEVE IT." BUBBA WATSON*

The HDLGA wishes everyone a happy, HEALTHY 2020!

We had a wonderful December starting with the Holiday Cocktail Party and the HDLGA "Christmas Come True" tournament. Congratulations to the winners: Lin Culver, Jennifer McDonald, Lorraine Caucci and Brygitte Lusinski. The generosity of this Ladies group is AMAZING. PJ Conniff, once again, orchestrated the event. What better way to celebrate the holiday season than the smile of a child? THANK YOU PJ and all the Ladies who generously donated gifts to our local children.

Santa & 3 Elves is always a fun way to grab our favorite guy and have fun! We know playing from the red tees is a challenge, so THANK YOU to all the Santa's who participated. Deb Ignatuk ALWAYS does a great job with organizing this FUN day of golf.

Looking at our January Calendar, we will continue our busy Golf season. Starting with:

- \* January 8 - Memorial Tournament -Links Course
- \* January 15 - Mid-Year Meeting & Play Day -Links Course
- \* January 28 - Interclub at San Jose Golf Course

January of 2020 the World Handicap System will be in effect. On January 6th make sure you "update" your GHIN app on your cell phone. With this new system, it is essential that WHEN YOU PLAY, you should be POSTING YOUR SCORE DAILY!

On a side note-I will be once again coordinating the Raffles/Gift baskets for the February 26 Heart Rally Tournament. Last year we had 35+ beautifully decorated baskets donated by the generous ladies of the HDLGA. I will be sending out an email in a few days and hope you consider donating again this year!

Thank you for supporting the HDLGA-See you on the Course.

### **MARK YOUR CALENDAR:**

February 5 - Masters Challenge - Links  
February 19 - Interclub at Hammock Dunes  
February 26 - Heart Rally Tournament - Links

The Golf Heart Rally will be on Wednesday, February 26 at the Links. We will have a 9 a.m. shotgun Scramble followed by a gala luncheon - pick your partners (or have the golf shop do the pairing). Sara Morrison will be chairing the golf rally this year. Forms are in the lobby, golf shop, locker room and can be returned to Sara or the rally box in the lobby.

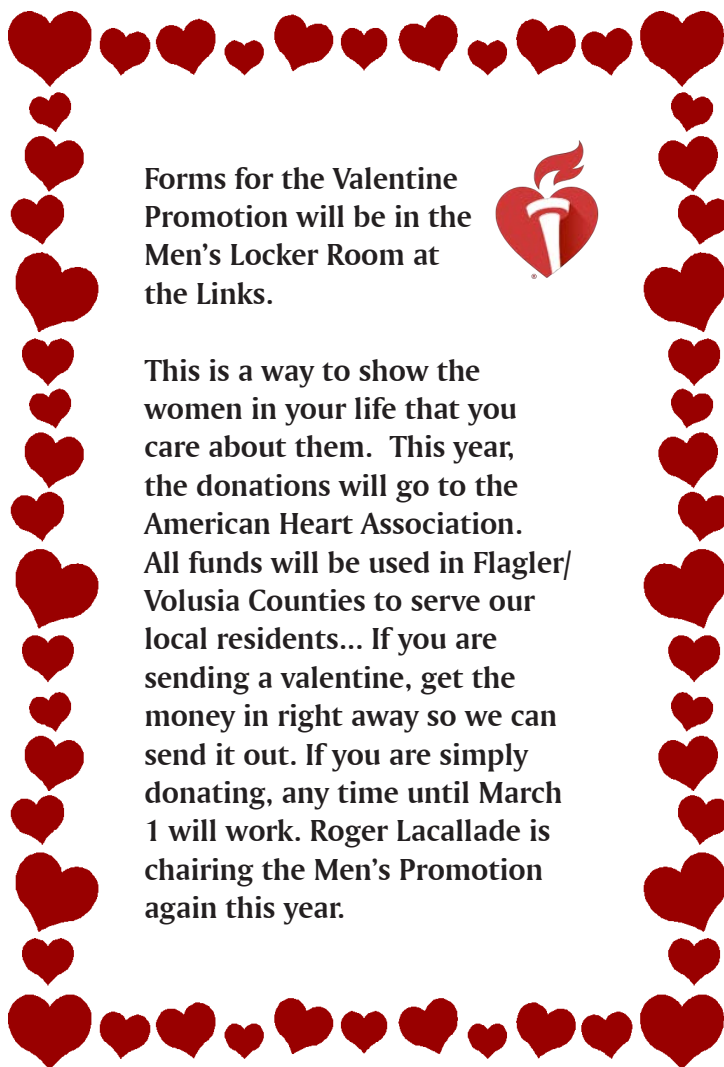

All Hammock Dunes Members are invited to attend the Hammock Heart Rallies gala Luncheon on Wednesday, February 26 at One O'clock at the Clubhouse. Wonderful Raffles will be sold at the door. Reservations can be made on the forms available by the rally box in the lobby or through Sara in the office. Whether or not you play in a rally, please come celebrate that Our Hearts are Full of giving at Hammock Dunes.

Forms for the Valentine Promotion will be in the Men's Locker Room at the Links.

This is a way to show the women in your life that you care about them. This year, the donations will go to the American Heart Association. All funds will be used in Flagler/Volusia Counties to serve our local residents... If you are sending a valentine, get the money in right away so we can send it out. If you are simply donating, any time until March 1 will work. Roger Lacallade is chairing the Men's Promotion again this year.

## News from the Golf Shop..

Happy New Year!

With the new year we will begin to use a new worldwide handicap system. Here are five key items about the system:

**Your Handicap Index may change** - But that's ok! Finally, players around the world will have an apples-to-apples handicap. Your new Handicap Index will be more responsive to good scores by averaging your eight best scores out of your most recent 20 (currently, it's 10 out of 20 with a .96 multiplier). In short, your Handicap Index will be determined by your demonstrated ability and the consistency of scores. In most cases for golfers in the U.S., it will change less than one stroke.

**You need to know your Course Handicap** - In the new system, your Course Handicap will be the number of strokes needed to play to par. This will result in greater variance in that number and presents a change, as historically it has represented the number of strokes needed to play to the Course Rating. This is a good thing, as par is an easy number to remember. Target score for the day? Par plus Course Handicap. The Course Rating will now be inherent within the calculation to be more intuitive and account for competing from different tees.

**Net Double Bogey** - The maximum hole score for each player will be limited to a Net Double Bogey. This adjustment is more consistent from hole to hole than the Equitable Stroke Control procedure. Net Double Bogey is already used in many other parts of the world and the calculation is simple: Par + 2 + any handicap strokes you receive.

**Your Handicap Index will be revised daily** - One way that handicapping is being modernized is a player's Handicap Index will update daily (which will provide a fairer indication of a player's ability in the moment), if the player submitted a score the day before. On days where the player does not submit a score, no update will take place.

**ALSO, please know that the USGA will make the changeover of the new system happen worldwide between December 31 and January 6. For that period, our handicap computers will be down. You can save any scores that you have, and they can be posted when our systems are restored to us.**

Head Professional Gina Hull and I will be doing a seminar for the membership regarding the new system handicap changes. It will be on Saturday, January 25 at 2 p.m. in the Coquina Lounge. If you would like to attend, please rsvp at the Links Golf Shop at 386-446-6222.

Get a grip on your game. It is time again for our annual "Get a Grip" Sale. In that regard we will be offering a **10% off grip special** for the month of January only. The sale will be on our in-stock grips. We hope that you will take advantage of this offer.

Happy New Year and we hope to see you on the course soon.

## Employee of the Month...

Please help us congratulate Nic Vetterman as our January Employee of the Month. Nic started his tenure here at Hammock Dunes Club as a member of the cart staff. He then transitioned to valet and eventually made his way inside the Clubhouse as a food runner. Since becoming a member of the F&B Team he trained to become a server and can now be found behind the bar mixing your favorite cocktail. Nic is quick to jump in to assist with any task and is always a team player. When he is not working at the Club, he is Dad to 2.5 year old Haylee and enjoys taking her to Disney.

## Presidents Letter...

Dear Members,

As we begin the New Year, I want to take a brief look at what we have accomplished, but more importantly, I want to look to the future.

Member utilization was once again at an all-time high.

- Food and Beverage Sales are up 22% year to date and the last few months are more than 50% above last year.
- We do like our wine as off-premise sales are up 75% and will exceed \$300,000 this year.
- For the second year in a row golf rounds will exceed 40,000.
- Our croquet association is now close to 100 members and has added new events and other activities.
- Usage and enjoyment of our fitness facility has exceeded expectations.

We need to say a big thank you to Jesse Thorpe and his entire staff for the outstanding job they did in transitioning to our new facility and providing all the additional amenities. As a result of improved hiring practices, enhanced training programs, and other added benefits employee turnover is down and our Member experience is up.

Plans are in the works to strengthen our racquet, bocce and croquet programs and continue to add new events to golf and club house activities.

Thanks to the groundwork completed over the past few years, we are well positioned for a bright future and the good news is we are beginning to see results. Twenty-eight new Members have joined our Club this year and we have a strong sales pipeline of potential Members. This year we are close to a break-even in year over year Membership levels and 2020 should show growth for the first time in many years.

I want to thank Kim Laxton, Colleen Albrecht and our team of Member Ambassadors for doing an excellent job in this important area. I also want to thank our Members for reaching out and making all our new Members feel welcome.

A special thanks to Lenn Lindegren, Danny Sontag, and Steve Taylor for all their efforts as they transition off the Board.

On behalf of your current Board I want to thank the Members for your support, and I look forward to working on your behalf in 2020.

Thank you and Happy New Year.

Bob Drab - President, Hammock Dunes Club
