From the Clubhouse

From the Desk of
Jesse K. Thorpe, General Manager

Dear Members,

As you know, we have recently added two enhancements to our communications platform at the Club: replacing our phone system and adding text communications.

The new phone system replaces a 12-year-old system that could no longer meet the needs of our staff to better serve you. The old system technology was not supported by providers, and increasingly, our members were frustrated by dropped calls, constant busy signals, or messages that were lost to digital limbo. The new system leverages the new cabling installed during our construction, but like any new system, has created some new challenges. Fortunately, we have been able to work through these. As time goes on, it will provide much better communications.

Additionally, we have subscribed to a service that allows us to text members regarding special notices, events and activities at the Club. Based on new data, text service allows better communication without communications being sent to other folders like emails being sent to spam folders. If you have a cellular phone, you might wish to subscribe to the texting service. Simply text **71441 to enroll**. As time progresses, we will be adding specific text groups to advise for reservation confirmations, golf course issues or anything that might impact your access to the Club. Texts are limited in characters, so communications will be brief, but informative.

We are reviewing new technologies that will further enhance our communications capacity. Too many people tell me they missed finding out about events in the many articles, letters, announcements and emails we send. As we find better, more concise means to communicate with you, we will make appropriate changes. We want you to enjoy your club to its fullest!

Jesse K. Thorpe CCM GM/COO

FROM THE KITCHEN

I would like to take this opportunity to welcome Jim Guzzaldo to the Hammock Dunes Club culinary team. Jim started this past January as our Pastry Chef and is doing a fantastic job.

Jim moved from Chicago with his wife and two children. He has an Associate's Degree in Culinary Arts, an Associate's Degree in Pastry Arts and a Bachelor of Arts Degree. He has worked abroad in locations such as: Semmering, Austria / Soroti, Uganda - as well as in Illinois (at a Bakery, Country Club, Professor of Pastry Arts for a College, etc...).

On staff for only a couple weeks so far, he has already implemented a new dessert menu with his style of cooking and presentation - with items like: Espresso Sous-Vide Pear with Mascarpone-Honey Sorbetto Disc, Crème Brulee with Toasted Fluff and Caramel Soaked Chiffon, Blueberry Tart with Streusel and Coconut Cream; whilst offering an everchanging additional dessert feature.

Below is a sampling of some his work from the past month. And yes, that cloche covering the stenciled logo dessert is made of chocolate. Please say hello to Jim when you see him around the Club and look in upcoming newsletters for his tips, tricks and information on all things sweet.

"A shot that goes IN the cup is pure luck, but a shot within two feet of the flag is SKILL." Ben Hogan

Here we are in March, ALREADY!

On January 15 the HDLGA held our mid-year meeting. LGA president, Kimmie Wise, went over details of the LGA Membership, tournaments and finances. Anyone who missed the meeting and would like any of this information, feel free to contact a board officer listed in your LGA booklet. Great job by Barb Darcy, for our "Let it snow" Mid-year tournament.

February 5 was our Masters Tournament. This was a fun tournament with three separate age divisions. Lin Culver was the overall champion. There were 1st and 2nd Low gross/Low net winners in each Division. We would like to thank Chairperson, Carol Rabinovitz, for organizing such a great tournament. Congratulations and great job to all the winners.

February 26 was the Heart Rally. After many, many years of organizing this event, Carol Rabinovitz stepped down as Chairperson and Mary Casamento stepped in as this year's Chairperson. They were hard shoes to fill, but Carol was always there if we needed her. Thank you to all the generous ladies who donated beautiful baskets for the Rally Raffle. Final details of this tournament will be in the April Dunescape.

Looking at our March Calendar, we will continue our busy Golf season:

- March 5 Interclub / Timuquana GC
- March 11-12 Ladies Club Championship
- March 18-20 LGA Member-Member
- March 26 Interclub / Plantation Bay

All HDLGA calendar events may be found at the Hammock Dunes Club website on the HDLGA webpage under the golf dropdown. Please check your fastmail notifications for important information regarding upcoming tournaments, or contact the golf shop or a LGA Board member.

Thank you for supporting the HDLGA. Hope to see you on the Course

Nine-Holers

Submitted by Lynette Overbey

The Coastal Niners are hoping to make a splash with new team colors at Oceanside on March 12. After years of appearing in plain white shirts with black pants as our team "colors", our 9-Holers will now be wearing aqua and jade patterned Ibkul shirts! A great way to start the new decade -- if they come in time. The Golf Shop is hopeful. If not, there will be another event in April, and Hammock Dunes will be a hosting course next year.

All Nine-Holers are eligible to play in the Coastal Niner events, which give you an opportunity to play other area courses. It's a relaxed 9-hole scramble, playing with golfers from other clubs, followed by a luncheon. You don't need a team shirt to participate -- that just adds to the fun. Deadline to register is March 2. Email Stella Ruggiano at kelarug@aol.com to sign up.

Let Trackman4 help you with your golf game

The Trackman is a device that uses Doppler Radar to monitor the launch of a golf ball. With each swing, it measures every aspect of the club movement, the trajectory of the ball, and its landing.

Trackman is set up every Wednesday from 2:30 p.m. to 3:30 p.m. on the Links Range. Come try it!

News from the Golf Shop..

I want to thank everyone for their efforts in working through the changes made to the handicap system. It appears most have adapted to using their phones more in the process and to playing golf with the new rule changes. If you feel like you still need help in understanding the system or downloading the app please do not hesitate to ask one of the professional staff. We are glad to help.

Time to sign up for your Club Championship. Are you the best player in the Club? Are you the best player in your handicap range at the Club? How will we ever know unless you sign up? The 2020 Club Championship schedule is as follows: Men on March 5-7, Ladies on March 11-12; and Men's Senior on March 27-28. Also, please note that the Ladies Member-Member is March 18-20; Spots are limited.

There is another little championship match play event in March. We will be holding our annual Hammock Dunes March Madness Sale. Here is how it works. Upon making a purchase, you can draw a team from the group of 64 schools competing in the NCAA Men's Basketball Championship. The amount of discount that you receive on your purchase will be determined by how far your drawn team has advanced in the tournament (Discounts range from 5% for making the field to 50% off for making the championship game. The sale begins after round one action and concludes with the National Championship game. Sale applies to Women's and Men's in stock apparel and does not apply to previously marked sale merchandise.

We hope to see you on the course soon. Please don't forget that we are here to help you with your game. Also, don't forget to stop by on Wednesday afternoons at 2:30 p.m. on the practice range to check out the new club Trackman 4 radar system. It can tell you more about your golf shots that you ever imagined.

Fitness Cancellation Policy

Lately there have been problems with members booking a fitness class but not showing up for the class and not cancelling from the class.

When a class is FULL, the Mind Body app is designed to automatically move the first person on the waitlist up into the class **once someone cancels out**. When the first person on the waitlist is moved up into the class, they are then notified via text and email that they are in the class. Thus, when you **do not cancel yourself** from the class and do not show up, it blocks those on the waitlist from attending the class. As a result, there is an empty space in the class that someone on the waitlist could be occupying.

Going forward, cancellation from a class should be done **2 hours in advance to give the person next on the waitlist time to react to your cancellation**. If not, you will be given three warnings by email if you do not cancel and do not show up or if you do not make the (2 hours) cancellation deadline. After your third warning you will be **Suspended from All Fitness Classes for One Week**. **Additional infractions will result in a One-Month suspension from classes.**

Womens Bible Study...

We continue to study the book of Genesis. Abraham and Sarah, Isaac and Rebecca, Jacob and Rachael, like us, were far from perfect. But God blessed them. Sibling rivalry was evident between Rachael and Leah and Jacob and Esau. Today, descendants of Isaac and Ishmael are still at war against each other. We meet at 3 San Gabriel Lane on Mondays at 1p.m.

News & Notes

Audubon Corner...

The Eastern Bluebird is a member of the thrush family. A small bird about 6 1/2 inches long, weighing only around one ounce but vibrant in color, a beauty! Its range is Eastern North America and south as far as Nicaragua. Mostly it prefers open woodlands, golf courses and orchards but urban areas have become home to some. Abandoned tree cavities and nesting boxes will provide a home that they like... We have installed nesting boxes around our golf courses. Gathering nest building material is the male's job, arranging the material into a nest is done by the female. The male has a melodious song or soft warbles. Its diet is mostly insects, worms, fruits and berries, it can spot a caterpillar over 50 yards away.

Right Whale Update: This season there have been 15 sightings, 11 mother and calf!

Book Club

The March book club selection is EDUCATED, a memoir by Tara Westover. It follows her life as a child growing up in rural Idaho through adulthood when she receives her PhD from Cambridge University. As the youngest of seven children, she tells her struggles living with her parents who have devout, isolationist religious beliefs and her continuous fight for education. Educated, a 2019 New York Times best seller has garnered rave reviews. It is a remarkable story and a riveting read. It is Tara Westover's first book.

Mark your calendars for Wednesday, March 18, at 3 PM at the clubhouse and Kelly Marshall will lead our discussion. All members are welcome. If you have any questions, contact Carol Swinburn: birdmother@aol.com. Or Claudia Pierce: Piercclaudia@gmail.com

Thank you from Christmas Come True...

We have been reflecting on the amazing amount of support that the residents of Hammock Dunes have given Christmas Come True over the past year. All the bikes in October, the Concert in November and then the amazing generosity at Christmas! Because of their generosity, we were able to take on more families at the last minute. Our final count of families was 155 with 441 children.

Distribution Day is filled with tears and joy. I would like the members of the Women's Golf Club and the residents of Hammock Dunes to know how much it means to each of these parents to be able to give Christmas to their children. Many times, these are the only new clothes and gifts these children receive all year. We are grateful to each person that gave to our mission; what a difference you have made in so many of our children's lives.
