Phase 2 Updates

General

- All members must enter through the Main Entry of the Club and be observed for temperature, and other health conditions.
- The Governor's order specifically suggests that persons over 65 or having underlying health issues should avoid crowds of people. In all cases we ask that members exercise judgement regarding their attendance at Club activities or events.
- Towel Service for the pool, golf course, and fitness center is restored.
- Please use the hand sanitizing stations placed throughout the facilities.

Guests

- Guests are limited to immediate family members only (children, grandchildren, parents, or grandparents)
- Members must accompany guests as described above, at all times.
- Members and Guests who come from major cities or hot spots as designated by the CDC or have traveled from international locations should self-quarantine for 14 days.
- We will continue with a cautious approach to increased access to the Club by guests. Expanded guest access and other changes to access will be put in place when the Governor takes action to move to Phase Three.

Dining

- 50% of the bar furniture has been restored to Rick's Bar at the Dunes Tavern, spaced for Social Distancing. The bar space is the only area where walk-in service will occur. When it is full, no additional seating can be added, and people standing to socialize will be discouraged.
- 100% of the furniture has been restored to The Tavern Terrace and the Ternstand.
- All dining/seating at the Club is limited to 8 persons maximum.
- To observe proper social distancing between tables inside the building "buffer tables" remain in place.
- Advance reservations for dinner, via telephone, are required.
- Staff may seat parties in one of the three dining areas of the Club based on attendance and the desire to continue with proper Social Distancing.
- All names for a table must be provided when the reservation is made.
- Pool menus are located at the pool phone to call for lunch service.

Cards and Mahjongg - Limited mahjongg, and other card games with the following limitations:

- Reservations for the Links Lounge and the Coquina Lounge may be made by calling the front desk.
- Any groups playing games are restricted to no more than 20 persons (5 tables of 4 persons each), spaced apart to retain Social Distancing
- Dining for lunch is limited 8 persons per table, in the dining room as available
- No self-serve snack or beverage stations will be provided, as a precaution against Corona virus shared touchpoints.

Fitness

Social distancing guidelines remain in place.

- The fitness center (excluding the class studio) is limited to 18 members at all times
- Unless living in the same household, members are asked to continue to use alternating pieces of equipment and sanitize each piece after use.

News from the Golf Shop..

Hope that you and everyone in your family is safe and making it through these trying times. I think we all long for a return to a “normal” whenever and whatever that may be in the future.

I would like to personally thank all the membership for your support of the club, our staff and the game of golf through the initial phases of this pandemic.

It is my hope that you got better with the amount of golf that you played. It is also my hope that the game that all of us love so much came through the time with an increased interest by new golfers and golfers returning to the game. That aspect may be one of the few positives that we look back on in this trying period.

In the months that we have been operating in less than normal circumstances we have had some changes in the golf department, and I would like to fill you in.

Craig Rudolph and Liana Lopez have departed for other endeavors. We will miss them and wish them the best of luck in the future.

You may have seen some new faces in the golf shops. Devin Delisle has joined us from Hammock Beach. Devin is originally from upstate New York. He will be working part time in our outside operations and part time in our golf shops. We wish him a belated welcome.

Tom Lindquist joins us on our professional staff. He is currently pursuing his PGA membership. Tom spent some of his youth in Palm Coast and graduated from Flagler Palm Coast High School. After a stint in the occupational therapy field he decided to give the golf industry a try. He started working outside operations at Sawgrass Country Club. Since 2018 Tom has an Assistant Golf Professional at the World Golf Village. We welcome Tom as a great young professional and addition to the team.

If you see these guys please wish them a hearty Hammock Dunes welcome.

Summer is always a great time to break down your swing and to make big improvements. As always, don't struggle with your game. All our pros are willing and able to help you.

We hope to see you on the course soon.

Brad Myers, PGA, CCM - Director of Golf

Thank You...

I would like to thank everyone for the thoughts, prayers, emails and cards of condolence on the passing of my son from the Covid-19 virus.

Sincerely, Ray Vetterman
