From the Clubhouse

From the Desk of
Tim Timlin, General Manager/COO

Dear Members,

The arrival of November is always a special time of the year as our days become cooler and we celebrate the many joyous Holidays yet to arrive. As we anticipate Thanksgiving and reflect on what we are thankful for I would be remiss if I did not offer my “Thank You” to our Head Golf Professional Gina Hull. Gina is the epitome of the ultimate team player as she has continued to absorb duties as she awaited Matt Stewart’s starting date, while all along pressing forward with her own professional responsibilities. Always the consummate professional on the course and behind the scenes Gina’s dedication has allowed the Club to continue on with business as usual. As you pass through the Club during this month of Thanksgiving please give Gina a fist bump, high five or a traditional thank you for a job well done.

While Hurricane Ian only resulted in minor damage to Hammock Dunes Club, similar to the rest of our community our sand dunes and walkover were compromised from the storm. As we await the repairs to be completed on the walkover, I would ask that everyone please stay off the dunes to eliminate any further damage to the dunes themselves or the surrounding area. This is even more important with the arrival of the holiday season and visitation from friends and family.

Last month we announced the opening of Friday night at the Creek and I am happy to report that October was a resounding success. The Creek dining room was filled to capacity each week and we look forward to seeing the same results this month. Thank you to everyone that enjoyed the experience and we look forward to discovering new opportunities that will allow you to immerse yourself in Hammock Dunes even further. Be sure to make reservations quickly for upcoming events as I anticipate a large number of sell outs.

In closing I would also ask that everyone please take a look at the Club policies currently in place, especially regarding attire. With both our dining rooms and courses seeing increased activity we want to assure everyone that proper courtesies and decorum are being followed.

Yours in Service,

Tim Timlin, CCM, CCE, CAM

HDLGA News... 18 Holers

Submitted by Alison Wright, HDLGA Vice President

Ladies Golf is off to an exciting start! Our Opening Day was held on October 12 with a 12:30 p.m. start followed by cocktails and hors d'oeuvres. At the time of this writing it has not happened quite yet, but with nearly 80 players signed up I'm sure lots of fun was had by all. We, the Board, hope the time change to an afternoon shotgun was a welcome change, and we also appreciate everyone's understanding regarding the date change. Likewise, the Fabulous Fall Shootout has also not happened yet, but I'm sure this 2-day event was a huge success as always.

Other upcoming events this fall of note:

Wednesday, November 16 — President's Cup
Wednesday, December 7 — Holiday Charity Event
Wednesday, December 15 — Santa & 3 Elves

The Snowbird Migration is well underway and personally, I am very happy to be back in Hammock Dunes with wonderful friends and fabulous golf. Hope to see everyone both on and off the course soon.

Audubon Corner..

We know that 3 billion North American birds have been lost since 1970. Of those, 2.5 billion were migratory species. The unmistakable Blackburnian Warbler is a fiery gem of the treetops as far north as Canada's Boreal Forest. Right now, during the dazzling fall migration many are stopping in eastern US backyards on their way south.

Astonishingly, up to 1 billion a year die as a result of impacts with clear or reflective glass that reflects the surrounding landscape, causing birds confusion with the natural world. It's easily prevented by some sort of reflection reduction. Even dirty windows help to reduce impacts. Another way to prevent bird collisions is to keep your household lights off from dusk until dawn as many birds use the stars and moon to help guide their way and artificial lights can cause confusion.

Book Club

The complete title of book club's November choice — **THE DAUGHTERS OF YALTA: THE CHURCHILLS, ROOSEVELTS, AND HARRIMANS: A STORY OF LOVE AND WAR** — suggests the multilayered, engaging history that it contains.

The historian author, Catherine Grace Katz, presents a singular take on the history of the Yalta Conference through the eyes of the three notable daughters, the “Little Three”, Churchill’s Sarah, Roosevelt’s Anna, and Harriman’s Kathleen. Each daughter has a fascinating backstory concerning her paternal relationship and each played an important role in what was a difficult meeting. Even before getting into the actual policy challenges, there were high hurdles due to logistics and the health of two of the “Big Three”. Using diaries, letters, oral histories and memoirs, Katz provides a fascinating look at the daughters’ contributions and their seemingly endless devotion to their fathers.

Opera at Hammock Dunes Club!

Saturday, December 3 ➤ 4 p.m.
Christoph Willibald Gluck's
Orphée et Euridice
La Scala, Milan, 2018

In the ancient legend of Orpheus and Eurydice, Orpheus uses the power of his music to persuade the gods to allow him to descend to the underworld to recover his dead wife. In his 1774 version for the Paris Opera, Gluck makes extensive use dance in addition to the orchestra, chorus, and three lead singers to retell the story.

According to the BBC, Juan Diego "Flórez burns up the stage, vocally and dramatically," and choreographer Hofesh Shechter transforms "Gluck's musical innovations into dances as gorgeous as they are disturbing."

All are welcome. The program will begin promptly at 4 p.m. in the Boardroom. There will be one 15-minute intermission, and it will end at 6:30 p.m. Please remember to arrive early and enjoy a glass of wine or champagne before.

As always, after the final curtain falls and the applause dies down, please consider staying for dinner.

Presented by Jinny Crum-Jones and Ian Jones in association with Barbara Arzonetti.
