From the Clubhouse

From the Desk of Tim Timlin, General Manager/COO

Dear Members,

Hello April and the arrival of Spring!

Although we endured a few days of chilly weather during the last few months, we have been extremely fortunate to have experienced a wonderful winter season that resulted in outstanding member activity. As luck would have it (actually was St. Patrick's week), the final week of our pool resurfacing delivered over three inches of rain and some of our coolest temperatures. I am beyond happy to remind everyone that the pool project is complete and we now have an outstanding pool complex.

As we head into the final months of our heaviest usage season we have begun to see some of the same staff turnover experienced during late 2021 and 2022. While we remain proactive in recruiting and retaining our team across the campus, these accelerated departures may require the Club to alter segments of the operation. For example, in April, the Seaside Dining Room will close on Wednesdays. Our number one goal is to preserve the member experience and provide the appropriate service levels at all times.

During the early months of Committee season one question that has been proposed a couple of times is "How is the service charge distributed"? In short, the best way to answer is that the service charge is not distributed in the form of gratuities, but is allocated to underwrite our overall food & beverage labor expense.

In closing I would like to invite you to our first **Coffee & Conversation on Thursday morning, May 4**. May will complete my first twelve months at Hammock Dunes Club and I would love the opportunity to answer any questions you may have, receive suggestions and just discuss the future of our Club. More information is sure to follow.

Yours in Service, *Tim Timlin, CCM, CCE, CAM*

Rally 2023 - For Locals By Locals

This year's Rally was the most successful fundraiser in the history of our Club. We exceeded our goal by 20 percent with participation of more than 400 Members rallying for the cause. The Creek Clubhouse was opened for Rally events - twice. Our Members, Staff and the Flagler County Sheriff's Office all helped demonstrate and share in one of our most coveted Core Values.... Community. Truly, community is what it's all about and 'For Locals By Locals' is the motto of Hammock Dunes Cares Board.

On your behalf, we at Hammock Dunes Cares take our job and mission statement to heart. We work year-round to reach out and touch key stakeholders of Flagler County to better understand gaps and opportunities so we can partner in areas where we can make the greatest impact. Because of our Hammock Dunes community the youth of Flagler County will get their new PAL sports facility....Something we can all be proud of. Stay tuned for updates on the building's progress that you have made possible through your generosity of time, talent and donations.

Hammock Dunes Cares is thriving because of the individuals within our community and the network and support everyone demonstrates everyday here at Hammock Dunes. This was our third Season of Giving and each year it gets better. Just like you, we have chosen to make a home in Flagler County. Together we are investing in a better future for Flagler County.

Many Thanks & Many Blessings,
Hammock Dunes Cares Board

Golf News

News from the Golf Shop..

Welcome to April everyone, the “unofficial” start to the golf season for much of the country. While our golf season is winding down, for those of you who have clubs in the Northeast or Midwest, those clubs are ramping up for the summer golf season. Much of why April is considered the beginning of the golf season for much of the country is largely due to The Masters Tournament being played.

The Masters is one of the most enjoyable, if not the most enjoyable, tournaments to watch and if you have ever been lucky enough to attend, you know why. I think everyone who plays golf has some sort of connection to the tournament due to our familiarity with the event, the course, and its traditions. Having had the opportunity to play Augusta National a couple of times, I was always amazed at the simplicity of the club and its operations. I hope everyone gets the opportunity to enjoy this year's Masters Tournament.

In March, we were able to crown two of our three Club Champions. Congratulations to Brett Riotto, our 2023 Men's Club Champion and Lin Culver, our 2023 Ladies' Club Champion. We will crown our 2023 Men's Senior Club Champion as this hits the press and will pass along the winner in next month's issue.

I hope everyone has enjoyed the recent addition of the short game flags to our practice facility on both the front and back tees. Please use these flags to practice shots from 25 yards to 100 yards and limit your chipping and pitching in our short game areas to shots less than 25 yards. Also, you will see periodically throughout the day, the absence of practice balls on the putting green. We are trying to encourage you to work on your putting with the golf balls that you typically play. They will give you better feedback during your putting practice/warm-up as compared to beat up, potentially out of round range balls. Remember, let's all practice like the pros!!

You may have also noticed new additions to the bag drop areas at both courses. Help us out by using the bag drop to unload your clubs before your round. Our staff will be more present at each bag drop to provide more service to you and your guests before and after each round.

As always: repair your ball marks, fix your divots and play well play fast, play poor play faster!!

Fairways & Greens,
Matt Stewart PGA – Director of Golf

It was an “Out of Body Experience”

Jayne Hynes shot a 69 from the red tees at the Creek Course breaking 70 for the first time in her lifetime.

In the same round, she knocked it in the hole on #4 scoring an Eagle from 40 yards using a gap wedge.

Hot Shots...

• ABBE HIRSCHLER - Hole in One at the Creek on #16 from the red tees

• ANDY NOWAKOWSKI - Scored an Eagle 3 on #10 at the Links Course from the white tees

• STEVE KLEMASH - Hole in One at the Creek Course on #16 from the white tees

Special Guest at Book Club

Book Club's April choice is *ALL THE SALT IN THE SEA* by Tammy L. Harrow, and the author will attend our meeting. Her debut novel is set in St. Augustine, where she now lives, and all over Europe. The book is a winner in women's fiction of the 2022 International Book Awards.

Abby West's future is unalterably changed by an unexpected pregnancy in her first year of medical school. After nineteen years of marriage to her spouse, a doctor, she learns that he has an 8-year-old child from a secret affair. Abby takes off for Europe in what will become a life changing trip. Various reviews refer to the story as "engrossing drama" about "a wife's crucial transformation".

Mark Wednesday, April 19 at 4 p.m. on your calendar so you can join our meeting in the Links Lounge/Library. The discussion will be led by the author's St. Augustine neighbor, Bonnie Lipomi. If you have any questions, contact Julie Duffy, Claudia Pierce or Carol Swinburn.

Audubon...

Turtle Nesting Season starts May 1

Five varieties of Sea Turtle are found in Florida. Loggerheads, the most common, have powerful jaws that allow them to easily crush clams crabs, and other armored sea animals. Green, are found mostly in Key West. Leatherbacks are unique due to their large size, weighing up to 2,000 lbs. They dive deeper, travel further and tolerate colder water. Kemp's Ridley turtles are the rarest in Florida. Hawksbills are the most tropical.

Please respect any turtle nests that you see on our beaches.

I'll Meet You at the Club Table...

The Club Table is a new way to meet your fellow members for food, fun and good conversation. Don't want to dine alone? Getting to know your new neighbors? Why not consider joining the Club table?

When making your dinner reservation, please let us know you'd like to be seated at the Club Table.
