From the Desk of Tim Timlin General Manager

Dear Members,

As promised October is now here and our Club activity is ready for a full-scale Fall launch. This year our excitement has reached an even higher level as the rains of September certainly dampened outdoor activity across the campus. I know we are all hopeful that October will bring some super sunny days and mild temperatures allowing for some much needed drying out. Be sure to read your Dunescape in its entirety as this issue is chock full of special events, tournaments and the upcoming Holiday schedule.

Back in August I had the good fortune of welcoming our newest leaders Chef Andrea and Molly Brady. I am also extremely happy to report that both of these professionals have hit the ground in full stride and are eager to enhance your member experience. As mentioned in September, I have been able to witness the culture shift in both areas as new procedures, training methods and operational ideas have been brought forward.

One of our first initiatives will be the menu change out in the Tavern which will take place in the early part of this month. You will see a **100% change** in the items offered as well as different menus between lunch and dinner. While this will put a larger strain on our culinary team, Chef wants to make sure our members have two distinct options when choosing to dine in the Tavern. I am confident this will be a much-welcomed change and will only enhance a favorite spot among the members. The second part of having both a lunch and dinner menu is the timing needed to change out the ingredients required for both menus. During this timeframe, scheduled to be from 3-5 p.m., we will be offering a reduced quick service menu with all-time favorites.

Yes, October will launch our Fall season and a full slate of opportunities, but it will also launch a new beginning for your dining experience. These initial changes are certainly only the beginning, and I know every Hammock Dunes Club member will be excited about what's to come.

Yours in Service,
Tim Timlin, CCM, CCE, CAM

Smooth Sippin' on a Sunday Kinda Weather.....

Sayonara, summer! Hello, fall!!!! What a wonderful time of year—the cool, crisp breeze in the air, the stunning transformation of leaves changing color before our eyes, and the distant, sweet scent of saltwater. I don't know about you, but I am ready for all things fall! What does fall mean to you?

Do you think of jack-o'-lanterns and trick-or-treating? Or perhaps gathering with family and friends? Maybe you envision a glorious turkey dinner with all the fixings or the irresistible allure of pumpkin spice. For me, fall brings to mind trips to the pumpkin patch, sipping on hot pumpkin coffee, and the delightful aroma of cinnamon and spice wafting from warm pies baking in the oven. But my ultimate fall favorite? Fresh mulled apple cider.

There's something truly magical about the way mulled apple cider warms the soul. I love sitting on the front porch, savoring this comforting classic. Join us on Sundays in October to try this favorite beverage of mine, and if you're feeling a bit adventurous, ask for it with a little extra love—a splash of bourbon for a seasonal hot toddy!

Chef Andrea

Mulled Apple Cider Recipe

Ingredients:

- 1 quart fresh apple cider
- 1 orange, sliced thin
- ¼ lemon, sliced thin
- 1 clove
- Pinch of nutmeg
- 1 cup fresh cranberries
- 1 cup raw sugar
- 1 cinnamon stick
- 2 tbsp local honey
- 2 tbsp butter (to finish)

Instructions:

1. Combine all ingredients except the butter in a pot and place on the stove.
2. Bring the mixture to a simmer and cook on low until the sugar dissolves and the aroma fills your kitchen with the essence of fall.
3. Once you turn off the heat, whisk in 2 tbsp of butter and serve.

If you wish to add a little extra warmth, consider stirring in a splash of your favorite bourbon. Enjoy the cozy comfort of fall in every sip!

News from the Golf Shop...

By now hopefully we are all saying, "fall has arrived!" As we work our way into October and some cooler temperatures, many of you are hopefully planning your return to Palm Coast and Hammock Dunes. We hope those of you who left for the summer have enjoyed your time away, but the staff and I eagerly await your return.

As we get closer to the upcoming golf season, our opening events for both the MGA and WGA will get things kicked off for everyone in early October. Our first event of the season will kick off on Saturday, October 5 with our MGA Season Opener. We look forward to a great turnout for this event. Our first WGA event will be WGA Opening Day on Wednesday, October 9, also at the Links. We are also excited to showcase the Creek Course to some of the best amateur golfers in Florida as the Creek will host the Florida State Golf Association's Mid-Amateur Championship October 10-13. We hope to have some of our Hammock Dunes Club members representing the Club and playing well in this prestigious tournament.

With everyone returning and the golf season kicking off, here are just a few things to remember: Group blocks will return to their normal "in-season" size beginning October 1 and we will continue our single tee starts throughout the golf season. Event signups are typically 30 days in advance and the Golf Shop will always send out tournament information along with ways to register for that event prior to registration opening.

We will continue to have fitting days throughout the golf season with all our club manufacturers here monthly. Typically, these fitting days are by appointment only and info to make an appointment for a fitting is sent out 2-3 weeks in advance.

As always, our outside staff is here to assist you both before and after your round. Help them out by using the bag drop instead of carrying your clubs from your car through the parking lot. October expects to be a beautiful month both up North and down here in Palm Coast and we hope you all enjoy it and as always: repair your ball marks, fix your divots and play well play fast, play poor play faster!!

MGA News...

Submitted by Mike Lipomi, HDMGA

The season opener for the MGA is here, October 5. I understand there are still openings so please call the golf shop and or sign up online. The season opener is designed to welcome back our members from up north and introduce us to new members. The format is a foursome of golfers picked by the golf shop including an A, B, C and D golfer in each group. The idea is to let you all get to know and appreciate golfers at all levels and to have fun. There are four different formats for play over the two days that will showcase all golfers abilities both high and low handicaps. Again the idea is to play golf, have fun and meet new people.

The Member Guest Tournament is coming up at the end of the month. Once again this year is a spectacular event. There is a stag dinner on Wednesday night and golf Thursday through Saturday. Saturday night is the awards banquet. Last year we had a boat trip for everyone on the Tuesday before the event but this year we have created a women's event on Wednesday evening. It is a ladies only sunset cruise. A perfect opportunity for the women to get to know each other and enjoy some of the local natural beauty.

If you have ideas for the MGA or thoughts on past events please contact one of the MGA Board members and let us know what you like and what you would like to see changed.

HDWGA 18-Hole Golf News...

Submitted by Joanne Touey, Vice President HDWGA

"I wish every day was Saturday and every month was October." Charmaine J. Forde

Welcome to October! As the temperatures cool a bit and the summer rains are behind us, it's time to start the new golf season and enjoy Hammock Dunes at its finest.

HDWGA Opening Day is set for Wednesday, October 9 with a 1 PM shotgun start at the Links. The format is an A B C D Step Aside Scramble. Make sure to register either on the Club App or the Website under Golf Events Sign Up. Special thanks to Deb Ignatuk for chairing this wonderful event. It will be a great time to gather with old friends and meet our newest members!

While you're online you can take a look at the Wacky Wednesday schedule for the season. Sue Scott has been busy creating a fun-filled list of events for our Play Days. Each member will receive an email on Thursday to sign up for the following week. A preview of this month includes an October 16 joint event with 18ers and 9ers, a Creek Welcome Back Nine and Wine with a 3 p.m. start. Next up on October 23 at the Links "2 of 4", two better balls of your foursome. To finish up the month on October 30, an individual Stableford Drawn Tournament. Stay tuned for more information on all of the play days.

Interclub golf events are another great way to enjoy the game and expand your experience. There are two opportunities in October, the 22nd at Marsh Landing Country Club and the 29th at Eagle Harbor. Interclub play is organized by Brygitte Lusinski and you will receive emails from the golf shop with information. All levels of play are welcome to join in. The format is each team has ABCD players and always 2 best balls. Give it a try, I'm giving it a go on September 30 and if I can do it, so can you!

As we all reunite this month let's focus on enjoying each moment as the gift that it is. We are blessed to have each other in this paradise we call home and play golf on two of the best courses in the state of Florida. Welcome Back!!!!

Debbie fell in love with Croquet early on, even though it was the back yard variety she and her family enjoyed playing. So, when she and her husband retired from the profession as International School Administrators/ Educators in 2017, Debbie immediately "welcomed learning the sport of Golf Croquet on the beautiful courts overlooking the Mighty Atlantic Ocean." Quoting Debbie!

Debbie encourages the readership to take advantage of the lessons offered; observing and playing with the skilled members who have helpful tips. Thank you, Debbie, for your insightful comments. Looking forward to seeing you on the Courts!

Fitness...

Some tips from our Fitness Director: What can you eat to control Inflammation?

Believe it or not, there are healing intentions with inflammation in the body but they can also get out of hand and ultimately translate into consequences of sickness and weight gain. Inflammation in the body is essentially your body's way of alerting you when you experience an injury or wound. However, it's not just external injuries that cause inflammation. It can also be caused by lack of sleep, excessive stress, genetics and even diet.

We all know we should stay away from fried foods, refined flours and sugars, synthetic sweeteners, and artificial food additives but here's why... If your daily diet is rich in these, your body may begin to transition into a state of chronic inflammation reducing probiotics, causing weight gain and has been connected with diabetes, heart disease and cancer.

If you want to start with your diet to reduce inflammation in your bodies, focus on foods that for various reasons are proven anti-inflammatory and of course are still tasty! For example, Tomatoes are a great source of lycopene, an antioxidant that protects your brain and fights depression causing inflammation. In general look for foods that are rich in Omega-3s, have antioxidants and have probiotics. Here is a list of some that you can easily pack into your daily routine:

- Cherries
- Blueberries
- Apples
- Raw Oats
- Green Tea, Ginger and Turmeric
- Wild Salmon or wild caught fatty fish
- Broccoli, Garlic, Olive Oil, Tomatoes
- Black Beans
- Eggs
- Nuts
- Yogurt (look for one without added sugars)
- Bone Broth and Miso

Book Club

The world's richest and possibly most controversial man is the focus of book club's October 16 meeting: ELON MUSK. The authorized biography is based on author Walter Isaacson's two years of unlimited access to Musk, visiting factories and board meetings, conducting hours of interviews with Musk, his family, friends, colleagues and adversaries, reading many of his texts and emails, and taking late-night phone calls from Musk. The result is a fascinating, even fast-paced/exhausting, journey into the life of the mercurial "man-child", visionary entrepreneur, and CEO of six companies, including SpaceX, Tesla, and X.

Isaacson presents Musk's superhero image of himself as savior of humanity, which he'll accomplish by creating a multi-planet world and colonizing space before civilization crumbles. All of Musk's inventions are connected to that one prize, with life on Mars as Musk's goal for his lifetime. In the hands of the former CNN and TIME executive, Isaacson, the reader sees Musk's "demon mode" causing repeated chaos, always pushing against skepticism in "start-up mode", and often, unbelievably, succeeding against all odds.

ELON MUSK will be discussed on Wednesday, October 16, at 4 p.m. in the Links Lounge/Library with leader Doris Dolamore. All members are invited. If you have a question, contact one of book club's leaders: Julie Duffy, Claudia Pierce and Carol Swinburn.

Chess Club

Chess Club will reconvene on October 9 and meet thereafter on the second Wednesday of each month. Matches will start at 4 p.m. in the Links Lounge.

For those interested in learning the game, or seeking a 'refresher course', please email Joe Kolanko at jkolanko@optonline.net to set up a session.

Opera at Hammock Dunes Club!

Our 2024/25 season
of operas kicks off with
Verdi's Rigoletto
The Royal Opera House (2021)

Thursday, October 17 ➤ 4 p.m.

Rigoletto is the court jester to the Duke of
Mantua. They were both cursed by Count
Monterone when the Duke seduced the Count's
daughter with Rigoletto's encouragement.

The curse comes to full fruition after the
womanizing Duke sets his sights on Rigoletto's
daughter, Gilda, and Rigoletto finds himself
powerless to protect her.

Antonio Pappano conducts a truly outstanding
cast. The Guardian calls Carlos Álvarez "utterly
compelling" as Rigoletto and Lisette Oropesa
"a matchless Gilda." In the pit, Pappano "lets
the score unfold with measured intensity and
sensual, yet baleful, beauty."

All are welcome. The program will begin
promptly at 4 p.m. in the Board Room and will
end at 6:45 p.m. (including one intermission).
Please remember to arrive early and enjoy a
glass of wine or champagne before.

Audubon...

Bright beautiful birds of Florida were captured in paintings and prints by John J. Audubon on his trek through the State. Nearly eighty original artworks are on display at the "Audubon's Birds of Florida" exhibit at the Cici and Hyatt Brown Museum of Arts and Science in Daytona Beach. It is well worth a visit, as many of the birds are native to our area.
