From the Desk of Tim Timlin General Manager

Dear Members,

As we prepare to leave the summer and head into the excitement of our Fall season, we do so having addressed some of our major infrastructure needs. The successful resurfacing of our travertine tile in the Links Clubhouse, exterior painting of the Creek and upgrading the course restrooms at the Links Course are just a few of these projects.

Our recent campus wide survey clearly communicated that the priority of the Hammock Dunes Club membership was to take care of assets before embarking on any new construction. Along with your Finance Committee and Board of Governors, Management implemented this approach during the 2024 budgeting cycle. During this process we produced a capital spending plan covering the next five years and as of today we are working on extending this work to cover the next ten. While we know the Club will continue to evolve and grow over the coming years, rest assured the proper planning is in place to steward the Club forward.

While the physical infrastructure is vital, equally important is the human element that allows Hammock Dunes Club to grow and prosper. The recent additions of Executive Chef Andrea and Food & Beverage Manager Molly Brady will certainly enhance the culinary as well as service levels we provide, but also provide a new foundation from which we will build. Mentoring, training and assisting our team is critical not only in their development, but also in securing a culture dedicated to member service. During the last six months I have been witness to a number of our team members who have stepped forward to assume new responsibilities, accept a new role or just go above and beyond to provide that extra touch.

Coming out of the summer I can feel the energy within our team as we look forward to the upcoming season and the opportunity to introduce new team members as well as new events. The last four months of the year will prove to be very exciting, and I am hopeful we will see some record activity numbers across the campus.

Yours in Service,
Tim Timlin, CCM, CCE, CAM

Wine of the Month...

NV13 Cain Cuvee

NV13 is the biggest, most dramatic Cain Cuvée to date. For this wine, look for early drinkability—and you will find it. You will also find nearly enough richness and substance to overwhelm the inherent complexity of this beautiful wine, but the balance succeeds. In the world of serious red wine, Cain Cuvée stands almost alone as a cabernet blend of two vintages, resulting in a balanced, more complex, and more interesting than either could be by itself.

From the Kitchen...

Is It All Just Peaches & Cream? Not Quite!

Peach season is upon us, and whether it's peach pie, cobbler, hot pepper peach jam, peach ice cream, or peach melba, the list of delicious peach dishes seems endless. For me, peach season is one of the highlights of the year, and living so close to Georgia, we're truly lucky to enjoy such an abundance of these juicy gems!

One of my ultimate favorite peach dishes is Peach Olive Oil Cake. It's paired with vanilla-scented labneh and pecan caramel, and I'm excited to share the recipe with you. Keep an eye out for this dessert special coming soon—it's a true celebration of the sweet and floral flavors of peaches.

Peach Olive Oil Cake

Yields: One 10-inch round cake

Oven Temperature: 350°F

Ingredients:

- 5 ripe peaches, peeled and diced
- ¾ cup lemon-infused olive oil
- ¾ cup regular olive oil
- 1¼ cups sugar
- ½ tsp salt
- 3 large eggs
- 2 cups all-purpose flour
- ½ tsp baking powder
- ½ tsp baking soda
- Powdered sugar for dusting

Instructions:

1. Preheat your oven to 350°F and line your cake pan with a parchment paper circle. Lightly spray the pan with non-stick spray.
2. In a bowl, combine the peaches with ¼ cup of the lemon-infused olive oil, ½ cup of sugar, and the salt. Let this mixture sit for 15 minutes to let the flavors meld.
3. In a separate bowl, whisk together the eggs, remaining sugar, and both types of olive oil.
4. Sift together the flour, baking powder, and baking soda, then gradually add to the egg mixture, whisking just until combined and no lumps remain.
5. Gently fold the peach mixture, including all the juices, into the batter, making sure to scrape down the sides of the bowl.
6. Pour the batter into the prepared pan and bake for 40 minutes, or until the top is golden brown and the center is set.
7. Allow the cake to cool to room temperature. Dust with powdered sugar before serving.

News from the Golf Shop...

September is here and that means one thing, it's Football Season! Along with both college and pro football beginning, hopefully down in Florida, that also means the temperatures are starting to cool off just a bit. May all of your favorite college and professional teams, as well as your fantasy football teams, get off to a good start to the season.

Speaking of seasons, our fall golf season is just around the corner. The MGA & WGA will both have their season opening events in early October with the MGA Season Opener on Saturday the 5th and the WGA Opening Day on Thursday the 9th. We are also happy that the Creek course will be hosting the Florida State Golf Association Mid-Amateur Championship October 10 - 12. This is a big event as many of the top amateurs over the age of 25 in the state of Florida will be competing. We hope to have a few of our own Hammock Dunes Club members playing in the event and playing well come Saturday afternoon!!

In preparation for this event, Gina and I met with FSGA tournament officials over at the Creek to get a better idea of how they would make the course for the tournament. They gave us some very helpful knowledge on how we will mark the Creek course for that event and going forward. This will help all of us to better define the penalty areas at the Creek, how to mark them daily, and where proper relief will be taken. Along those same lines, we recently repositioned many of the OB stakes and penalty area stakes here at the Links so that all of you are more aware of where OB is and where to take relief when in a penalty area.

Also, in September, Titleist will be launching their new GT driver and fairway woods. The driver has been the #1 played driver on the PGA Tour all summer long and we will have a fitting bag with demos available at the Links Golf Shop. We will also continue to host Titleist fitting days as well as fitting days from some of the other club vendors throughout the fall so be on the lookout for emails monthly on when your favorite club fitting day may be taking place!

We are looking forward to a great fall season, and as always: repair your ball marks, fix your divots and play well quickly!

MGA News...

Submitted by Mike Lipomi, HDMGA

The Men's Golf Association is getting ready for a busy and exciting season. The Season Opener is scheduled for October 5 with a new format. This year it will be a four man team modified scramble. The Teams will have an A, B, C and D player determined by the golf shop. Everyone will hit their drive and select the best drive then play your own ball through the green.

The Member Guest will start with a stag dinner on Wednesday October 30 followed by 5 nine hole matches and a horse race for the flight winners on November 2. Registration opened on August 10 and we already have a full field. The Presidents Cup is scheduled on November 22-23 with again a new format, changing every 9 holes. The Creek Cup will be held once again starting in November and will run through May of 2025.

It is time for the MGA to invite anyone interested in joining the Board to please give your name and interests to one of the current Board Members. We are always interested in new ideas and would like to hear comments on past events. The MGA Board is actively involved in the pace of play and handicap issues, working with the Golf Committee and the Board. If you have any specific ideas regarding any of these issues, please let us know.

Congratulations, Mac!

We would like to congratulate our Assistant Golf Professional, Mac Harris and his partner, Tyler Gulliksen, on winning the North Florida PGA Professional - Scratch that was held at the Links Course on August 12. Mac & Tyler fired a 9 under par 63 to finish in a three-way tie for 1st. All 3 teams went out to hole #18 for the playoff and Mac hit the closest approach shot of the 6 players and made an 18 footer for birdie and the win!! Way to go Mac and way to represent Hammock Dunes Club on a big stage!! We also had member Tommy Stricklin and his Professional, Eric Sargent from Hammock Beach, finish in a tie for 7th with 6 under par 66, Brett Riotto and his Professional, Rod Perry from Crane Lakes, finish in a tie for 16th with a 5 under par 67 and myself and Lin Culver finished in a tie for 20th with 4 under par 68. The Links Course was in fantastic shape and the club received rave reviews from all 112 players who participated yesterday. Thank you to Matt Howes, Eric Gerlach and the rest of our agronomy team for all their hard work and effort to have the Links in great shape for everyone to enjoy!!!

HDWGA 18-Hole Golf News...

Submitted by Joanne Touey, Vice President HDWGA
"By all these lovely tokens, September days are here. With summer's best of weather and autumn's best of cheer."
Helen Hunt Jackson

As I glide into the end of my first full year living in the paradise that is Hammock Dunes, I'm just beginning to appreciate the rhythm of this new life. Many have spent the summer elsewhere and we look forward to seeing those friends return so we can hear about their adventures. With fewer of us here, we've had time to forge some new friendships in the heat of the summer. We have played many sweaty rounds of golf, had rounds cut short by the lightning and lingered in the tavern, enjoying the cool air (and perhaps a cold beverage or two...). The lazy days of summer are awesome, but September is the transition back to our prime time!!!

First up is WGA Opening Day at the Links on October 9. You will receive an email notification for the sign up, so be on the lookout. Don't miss this opportunity to reconnect with old friends and meet the new members who have arrived in recent months. There are some fabulous women who have joined our group!!!! Next up is the Fall Shoot Out November 6 and 7.

A few of you have reached out to me with questions and concerns. I'm grateful for those inquiries, whether by email or in person and I encourage you to reach out if you are so inclined! We on the board welcome you to bring us your thoughts and suggestions. It will make us a better group if we all work together!

I hope to see you all on Opening Day, if not before...

HDWGA Nine-Hole Golf News...

Submitted by Susan Kolka

The new season is just one month away. It's going to be a busy, exciting time for both 18 and 9-Hole golfers. I can hardly wait! Here is a peek at October:

10/9	Opening Day
10/16	Nine and Wine
10/23	Wednesday Games
10/30	Wednesday Games

The full Wednesday Game Day schedule will be released on Opening Day. Both 18 and 9-Hole games will be included on the list. Note that there will be three joint events. Nine and Wine and Las Vegas will both feature nine holes of golf. The third event, the Par 3 Classic, will be 18 holes of golf. All holes will be converted to Par 3 for this event.

Next season the Nine-Hole games will continue to offer merit prizes and attendance awards. The big change: Nine-Hole golfers will also be competing for pars and ringers on select game days. (Score a birdie? You get double the prize for a par.) Details will follow in an email. Our fall meeting/social will be scheduled for November.

The Coastal Niners new season also begins in October. Coastal Niners is an independent, ladies nine-hole golf association. Hammock Dunes is one of eight member clubs. Each year Coastal Niners offers five nine-hole tournaments. Member clubs rotate hosting the tournaments. To participate you must be a member of the HDWGA and have a handicap higher than 22. The cost to play is set at \$70 per participant and includes golf, cart fee and lunch. Each member club can send up to 15 participants. Invitations are emailed approximately one month ahead of the tournament date. This is a very popular, fun event. Don't wait to sign up. The 24/25 season follows:

October 28, 2024	Halifax Plantation
November 5, 2024	Plantation Bay
December 12, 2024	Oceanside
March 3, 2025	Grand Haven
April 9, 2025	Hammock Dunes

Ladies: Please post your scores. You need an up-to-date handicap for all tournaments including Coastal Niners.

Croquet News....

And the Games roll on.... Croquet is a simple Game but watch out- it makes you love it. You didn't want to play it- you didn't think you could play it. He and Don Finch, the Croquet Board President, will lead the Croquet Association, offering fun and challenging events. David has his wife Sharon at his side, together they support the growth and the strength of the Croquet Association. "Thank you" David; we value your insight.

We understand it is difficult to hear the lightning alarm from the pool deck however our staff is very diligent about informing anyone at the pool when the alarm has alerted and when it will be safe to return to the pool. If the alarm goes off, all members must exit the pool area and we must lock the gates until it's clear. Thank you for understanding!

KIDS CAMP 2024

Lightning Detection Policy / Procedure

Members are expected to exercise reasonable prudence and common sense when severe weather, e.g., thunder or lightning, is reported or observed in the area.

Both golf courses have sirens that will sound to notify all members on the golf courses, practice facilities, croquet lawns, pool and tennis facilities that dangerous weather is in the area. Immediately upon hearing the siren sound (one long blast), all members must leave their outdoor activities and seek appropriate shelter.

The siren will sound again (three short blasts) when it is safe to resume to outdoor activities. Members who fail to exercise prudence and common sense by evacuating the golf course when lightning is observed or reported, may be subject to Board discipline.

The golf course weather feature on the Club App is available to all members and will indicate when it is safe to resume outdoor activities.

If you're still receiving paper statements through snail mail, go paperless and let us email your statement and set up ACH automatic payment!

An emailed statement serves as a handy reminder, so you'll know immediately when your bill is ready to view and pay. It's safe, fast and convenient.

Founded in 2011, Hammock Dunes Cares is the philanthropic arm of your Club. Our task is to facilitate fundraising and ensure legitimacy throughout the process. We only support local charities. These 501(c)3s need donations, volunteers and (sometimes) mentorship. The more we get to know these organizations and the people behind them, partnerships are made and relationships develop. Everyone has a story. It's important to listen and more important to care.

We have two fundraisers a year: Veterans Day and The Rally in February and we accept donations all year because the need is constant.

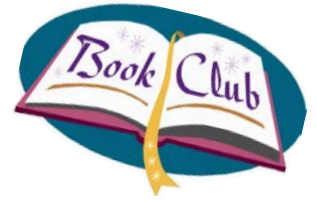

Our focus areas can be recorded in columns by category, but they all overlap. It's a web and a network. We support every food bank in Flagler County. We offer scholarships to young people and aid to Veterans. Whitney Labs and the Flagler Turtle Patrol receive our support. The Police Athletic League and the Flagler Free Clinic are important community partners. With Habitat for Humanity, we have built 19 houses and a community garden.

We are so proud of our server Jackson on his first solo for Teens in Flight, one of the programs we support. Donations to Hammock Dunes Cares are tax deductible and may be dropped off at reception or mailed to the Club's address at any time of the year. We have so many generous members. This streamlines the fundraising efforts and gives us significant strength to help Flagler County to flourish.

Thank you for your continued support. Together we create a rippling effect of goodwill throughout Flagler County. This wave of kindness washes back to our shores.

Book Club

The world's richest and possibly most controversial man is the focus of book club's October 16 meeting: ELON MUSK. The authorized biography is based on author Walter Isaacson's two years of unlimited access to Musk, visiting factories and board meetings, conducting hours of interviews with Musk, his family, friends, colleagues and adversaries, reading many of his texts and emails, and taking late-night phone calls from Musk. The result is a fascinating, even fast-paced/exhausting, journey into the life of the mercurial "man-child", visionary entrepreneur, and CEO of six companies, including SpaceX, Tesla, and X.

Isaacson presents Musk's superhero image of himself as savior of humanity, which he'll accomplish by creating a multi-planet world and colonizing space before civilization crumbles. All of Musk's inventions are connected to that one prize, with life on Mars as Musk's goal for his lifetime. In the hands of the former CNN and TIME executive, Isaacson, the reader sees Musk's "demon mode" causing repeated chaos, always pushing against skepticism in "start-up mode", and often, unbelievably, succeeding against all odds.

ELON MUSK will be discussed on Wednesday, October 16, at 4 p.m. in the Links Lounge/Library with leader Doris Dolamore. All members are invited. If you have a question, contact one of book club's leaders: Julie Duffy, Claudia Pierce and Carol Swinburn.

Chess Club

Chess Club will reconvene on October 9 and meet thereafter on the second Wednesday of each month. Matches will start at 4 p.m. in the Links Lounge.

For those interested in learning the game, or seeking a 'refresher course', please email Joe Kolanko at jkolanko@optonline.net to set up a session.
