Hammock Dunes Cares For Locals By Locals RALLY 2025

Please join us! Have FUN while FUNdraining for LOCAL charities. We are your 501(c)3 and we have two jobs: to raise money and give it away. You can sign up for events by filling out an event entry form and placing the form with your donation in the wooden box in the Links lobby.

We are building a stronger community through philanthropy because of members' generosity. It's a win-win for us and Flagler County charities. Hammock Dunes Cares is an effective and efficient conduit for our Club to pool resources so we can cast a wider net of support for those less fortunate in Flagler County.

Members are encouraged to donate whatever amount makes them comfortable to support the Flagler Free Clinic and other LOCAL charities. Those who are significant donors will be entitled to "Concierge Service" (CS). This will give you access to any and all Rally events. Put your donation in the wooden box, and we take care of the rest. CS members can email Crystal Hill to sign up for events or make special requests.

Each event suggests a tax-deductible donation amount, but it's always your choice. All of your dollars are guaranteed to stay in Flagler County. Give until it feels good. Our outreach and foot work has given us the inside track on the needs and legitimacy of charities in Flagler County.

Complete the Rally Registration form to sign up for events or email Crystal with questions!

From the Desk of Tim Timlin General Manager

Dear Members,

Hello 2025! I am hopeful you have had the opportunity to enjoy a safe and joyous holiday season. Although the holiday season always goes by so quickly, it allows the perfect opportunity to spend extra time with family and friends while also reflecting on the previous twelve months. Even though we had another year where the Club endured a couple more named storms and had to adjust operations accordingly, we did so in Hammock Dunes Club fashion and therefore will end our year in line with the annual budget. As I look back on the year, I am able to recall numerous occasions when our management team has been able to enhance their operation, develop their own team and heighten the scope of services we offer to our members.

Our number one priority each year will always be to deliver the highest-level member experience. We strive to do this through personalized service, programming, care for our physical assets and a general culture of caring. We see this on display each day as our seasoned Department Heads use their club knowledge to anticipate member needs and answer the call before the question is asked. On the flip side of the coin I watch with excitement as our newer team members traverse the operation with unbridled motivation to deliver the best experience possible. Together as a team and with the teams they have built, our goal is to make your 2025 experience exponentially better than 2024.

In alignment with our Strategic Plan, a big part of our 2025 Capital program will be to "Take Care of What We Have" and mirroring 2024, these investments will be designated to upgrade and refresh our current facilities. Throughout the year you can expect work to include upgrading fitness equipment, regrassing the croquet lawn and refreshing the main-floor locker rooms. The Strategic Planning Committee has completed a vast amount of work and produced a 2025-2029 Strategic Plan providing the framework for continued growth.

In closing I would like to say "Thank You" for a memorable Holiday season. Starting with Thanksgiving and culminating with New Years Eve, your commitment to the Club continues to produce new memories, shared moments and defines Hammock Dunes culture. Please also allow me to pass along the many "Thank You's" coming from our team for your generosity during the season.

All the Best,

Tim Timlin, CCM, CCE, CAM

Lucky Foods for New Year's Day: A Global Tradition

Across the world, New Year's Day is steeped in traditions aimed at ushering in good fortune, long life, and prosperity. From sweet treats to symbolic fruits, here's a look at some of the foods believed to bring luck for the year ahead.

1. Twelve Grapes of Luck

In Spain and Mexico, it's customary to eat 12 grapes at the stroke of midnight—one for each month of the coming year. This ritual is thought to ensure good luck and prosperity for the months ahead.

2. Forward-Moving Animals

Certain animal-based dishes symbolize progress and abundance. Pork, for example, is considered lucky because pigs root forward, symbolizing progress. Similarly, fish, which swim forward, represent abundance and fertility. In contrast, it's said to be unlucky to eat chicken, as they scratch backward, which might signify setbacks.

3. Smashing Pomegranates in Greece

In Greece, whole pomegranates are thrown to the ground with gusto. The more seeds that scatter, the better—it's believed they bring life, fertility, and abundance to the household.

4. Long Noodles for Long Life

Across many Asian cultures, long noodles are a staple New Year's dish. The key to unlocking their luck? Eat them without breaking them to symbolize longevity.

5. Ring-Shaped Sweets

Circular foods, such as ring-shaped cakes and doughnuts, are enjoyed in many cultures as a symbol of completeness and a "full circle" of good fortune.

6. Citrus for Prosperity

In China, citrus fruits like oranges and tangerines are exchanged during the Lunar New Year. Their golden color and round shape signify wealth and success.

7. Southern U.S. Traditions

In the southern United States, a plate of black-eyed peas, greens, and cornbread is a traditional New Year's Day meal. Each food has symbolic meaning:

- **Black-eyed peas** for luck
- **Greens** (like collards or kale) for wealth
- **Cornbread** for prosperity

8. Champagne for Prosperity

Finally, there's no toast luckier than one made with champagne. The sparkling beverage is often associated with wealth and celebration, making it the perfect drink to welcome the new year.

Whether you're nibbling on grapes at midnight, twirling long noodles, or smashing a pomegranate, these traditions offer a fun and flavorful way to ring in the new year with hope and good fortune. Cheers to a lucky and prosperous year ahead!

News from the Golf Shop...

On behalf of the Professional Staff, we hope everyone is enjoying the holiday season and you are ready for a great 2025. As with all new years, January 1 is an opportunity to “re-set” if you will. Many of us start the new year with a list of resolutions we all wish to accomplish for the upcoming year. Whether it’s giving up something, shedding a few pounds, or as many of you may do, figuring out what needs improvement in your golf game! With regard to your games, I encourage all of you to evaluate your game from tee to green and make some realistic goals that you would like to see yourself achieve in 2025. Remember to keep these goals realistic and put together a plan for yourself on how to achieve them. Whether it’s just playing more golf, making more putts, chipping/pitching it better, having a goal to work towards is always helpful and a plan to reach that goal is important. If any of the staff can assist you in reaching your “golf goals” please do not hesitate to ask us for some help!

As we work our way into 2025, we published a list of our spring events as well as a tentative fall schedule. We do not anticipate too much change to our fall 2025 dates but at the time of going to press, that portion of our calendar was still being finalized. Again, Happy New Year to all of you and lets all hit more fairways and not three-putt in 2025!

Fairways & Greens,
Matt Stewart PGA – Director of Golf

HDWGA 18-Hole Golf News...

Submitted by Joanne Touey, Vice President HDWGA

Golf balls are like eggs: they're white, they're sold by the dozen, and one week later, you have to buy more....

It is very difficult to believe that this month is our Mid-Year event, time in our little paradise certainly flies!

Before we look ahead let's look back to November and our Presidents Cup Tournament, which for the first time was the Solheim format. We switched formats to create a more welcoming environment for players of all levels and provide a spirited yet competitive event for all to enjoy. The Red Team was victorious, so kudos to Monica and her players. I spent time talking with members of both teams afterwards and I'm confident we achieved our goals. Everyone loved it.... The team shirts, the pairings party, the trophy, the champagne toast, and the list goes on! The thrill of victory is apparent in the picture of Monica with the trophy but there was no agony for the Blue Team. We celebrated our "L" with lots of laughter as we looked back on the 2 days. Lin Culver, a frequent champion in previous Presidents Cups, reflected that she loved the format (no matter that she had not a "W" in the end) and enjoyed competing with players of all levels. We had handicaps from 2.6 to 40.6 participating. A resounding SUCCESS!

So much fun in store for the new year, starting with HDWGA Memorial Charity Golf Tournament on January 8 as well as the Mid-Year Step Aside Scramble on the 29th. All the info is on the Hammock Dunes Club website, and you should also receive emails about each event. February brings us the Sweetheart Open on the 12th (bring your Valentine to play) and the Master's Tournament is February 19. Every Wednesday there is something fun happening at Hammock Dunes Club!

Happy New Year!

HDWGA Nine-Hole Golf News...

Submitted by Susan Kolka

Happy New Year! Hope you all are having a wonderful holiday season.

Truthfully, I hate for the month of December to come to an end. We were having so much fun golfing. The WGA Holiday party was delightful. The WGA Charity Tournament was well attended despite the threat of rain. Our Wacky Wednesday games were drawing a crowd. And the \$5 Par-tee for the Nine Holers was an instant hit. Everyone was enjoying the spirit of the season especially the Walk and Talk group who played in their best ugly holiday sweaters! And not to be out done, the Coastal Niners teed off in puffer coats, gloves and hats. (It was 50 degrees!)

The Coastal Niners Tournament on December 12 was hosted by Oceanside Country Club. A dozen ladies from Hammock Dunes participated. And boy did we bring home the prizes! The following ladies were on the winning teams. Front Nine: 1st place team - Tina Bjarekull, Nancy George and Leslie Gonzalez. 3rd place team – Diane Bowman. Back Nine: 2nd place team – Patti Penski. Congratulations ladies!

There is no slowing down in January. This is our golf schedule for the first four weeks of 2025:

- 1/8 The WGA Memorial Tournament
- 1/15 Wacky Wednesday Games
- 1/22 Joint Event for 18 and 9 Hole Golfers Theme: Las Vegas
- 1/29 WGA Mid-Year Tournament Theme: The Olympics

Let's play golf!

MGA News...

Submitted by Mike Lipomi, HDMGA

The Men's Golf Association concluded 2024 on a high note with a fantastic Member Guest event and an exceptional Presidents Cup. We are pleased to welcome a few new members to the Board for 2025, including John Turner and John Balzarini. I would like to extend my gratitude to the Board members who contributed to our successes in 2024 and have either resigned or rotated off the Board: John Flynn, Terry Lamb, Tom Schiro, Don Hanson, and Emil Kiss.

During the most recent Board meeting, the officers for 2025 were selected: Mike Lipomi will serve as President, Ron Coates as Vice President, John Balzarini as Secretary, and Mark Larmore as Treasurer. Bruce Perlman and Rick Woods will complete the 2025 Board of Directors.

I would like to give a special thanks to Matt Stewart and the entire professional staff for their invaluable support and guidance throughout last year. Matt is currently working on this year's schedule, ensuring our tournament dates align with the broader Hammock Dunes calendar while maximizing the chances for optimal weather conditions. He also advised us on tournament formats to ensure fairness for golfers of all skill levels. Additionally, Matt serves on the handicap committee and regularly updates us on rule changes and any issues regarding members' handicaps.

It has been my great pleasure to write this article each month, keeping the Club and MGA members informed about our activities. As President next year, I look forward to a robust calendar of events. I am also excited to announce that our website now features a listing of all the groups that play during the week and on weekends here at the Dunes, along with the contact information for each group's leader. If you are interested in joining any group, I encourage you to reach out to the group leader to express your interest.

Reminder: Signups open for the 2025 MGA Winter Classic on January 7th, be sure to register if you're interested!

Frost, Fog & Rain-Delay Tee Time Policy

On mornings when starting times are delayed due to frost, fog or rain, the following policy will be implemented:

In the event of a delay all tee times will be moved back an amount of time equal to the duration of the delay. Play will commence when it is determined by the maintenance staff that the course is prepared for play after a frost delay. It is imperative that rescheduled groups be at the tee and ready to play when called.

Opera at Hammock Dunes Club!

Two-thirds of Puccini's *Il trittico*
(The Triptych):
Il tabarro and *Suor Angelica*
The Royal Opera House, 2011

Wednesday, January 15 ➤ 4 p.m.

Hoping to cash-in on the fashion for one-act operas begun by Pietro Mascagni's *Cavalleria rusticana*, Giacomo Puccini began planning a set of one-acters, and *Il trittico* was the result. It consists of three very different short operas, intended to be performed together: First up is *Il tabarro*, a full-throated, gritty melodrama, which stars Lucio Gallo, Eva-Maria Westbroek, and Aneksandrs Antonenko in this 2011 production from the Royal Opera. Next, *Suor Angelica* is a tale of religious redemption, starring Ermanelo Jaho in her break-out role. We'll screen the final opera of the three, *Gianni Schicchi*, which *The Guardian* describes as a night at the opera, that is "even funnier than *A Night at the Opera*," in February.

Each of the operas in *Il trittico* deals with the concealment of a death, albeit with very different treatments. *Il tabarro* is dark and brooding; *Suor Angelica* is ultimately uplifting; and *Gianni Schicchi* is one of the funniest operas in the canon. These 2011 performances of *Il tabarro* and *Suor Angelica* have another link, the conductor Antonio Pappano. *The Guardian* explains how very special that link is, "Pappano is unrivalled in this music. He can tackle anything but he is a Puccinian to the core, his recording of *Il trittico* definitive. Every nuance in these fertile scores was exquisitely shaped and keenly delivered by the ROH orchestra."

All are welcome. The program will begin promptly at 4 p.m. in the Board Room; there will be one 15-minute intermission; and it will end at 6:30 p.m. Please remember to arrive early and enjoy a glass of wine or champagne before.

Presented by Jinny Crum-Jones and Ian Jones

in association with Barbara Arzonetti

Book Club

Did you know that giant Pacific octopus are incredibly smart? **REMARKABLY BRIGHT CREATURES** by Shelby Van Pelt introduces us to Marcellus, who lives at Sowell Bay Aquarium near Puget Sound.

Tova is a widow who works the night shift cleaning the Aquarium, a job she took after her 18-year-old son vanished mysteriously on a boat in the Sound thirty years ago. Tova and Marcellus form an unlikely but deep relationship. When 30-year-old, whiny, deadbeat Cameron joins the Aquarium staff, Tova takes him under her wing and also introduces him to Marcellus. Marcellus reveals himself to be a smart, snarky, empathic detective who plays a critical role in propelling the plot in this thoroughly delightful novel.
